Sinking Of The Titanic Other Great Sea:

Sinking of the Titanic and Great Sea Disasters Logan Marshall, 2021-03-27 The sinking of the Titanic and Great Sea Disasters is an exciting collection of first hand stories describing the catastrophe of Titanic's maiden voyage as told by its survivors shortly after the ship sank. Originally written and published in 1912, Logan Marshall's book was the first attempt to solve the mystery of the accident and relieve the heartache which it stirred internationally. Marshall narrates the personal stories of Titanic's passengers before, during, and after the sinking of the ill-fated ship. This book takes us all back to understand the emotions of our ancestors from a not so comfortable distance. Listen to the voices of real passengers tell their own stories. Amazon

Sinking of the Titanic and Great Sea Disasters Various, 2019-11-22 In *Sinking of the Titanic and Great Sea Disasters*, various authors collaborate to provide a comprehensive exploration of maritime calamities focusing predominantly on the infamous Titanic tragedy. This anthology employs a blend of historical accounts, survivor testimonies, and meticulously researched analyses to immerse readers in the complexities of sea travel during the early 20th century. The Sinking of the Titanic and Great Sea Disasters Logan Marshall, 2009 The Titanic, greatest of ships, has gone to her ocean grave. What has she left behind her? Think clearly. She has left debts. Vast sums of money have been lost. Some of them are covered by insurance which will be paid. The rest is gone. All wealth is insecure. She has left lessons. The risk of running the northern course when it is menaced by icebergs is revealed. The cruelty of sending a ship to sea without enough life boats and life rafts to hold her company is exhibited and underlined in black. She has left sorrows. Hundreds of human hearts and homes are in mourning for the loss of dear companions and friends. The universal sympathy which is written in every face and heard in every voice proves that man is more than the beasts that
