With Remarks on the Poetry of Martial Enthusiasm** Cyril Aston FANSHAWE,1859 **In the Line of Battle** Various,2021-12-02 Sisters of Battle Gavin Thorpe,John Blanche,1997-01-01 Fantasirollespil The Boy of Battle Ford and the Man W. S. Blackman,2012-03-08 A classic story of a young man s journey to adulthood The Boy of Battle Ford covers Blackman s years growing up in early post settlement Illinois where he gave in to temptations such as drinking gambling and the lure of prostitutes before joining the army finding God and becoming a preacher Blackman who notes that he is determined to write facts in this book peppers his story with the sordid details of the sinful times of his life as well as with discussions of faith and of struggling to understand his God and his beliefs Medical Perspectives of Battle Conflicts in Malta Charles Savona-Ventura,2016-12-08 Medical services have been associated with the military since the days of Ancient Greece This relationship was essential not only in ensuring the front line treatment of injuries sustained by soldiers but also to treat the diseases that accompany the disruption in the social circumstances brought on by warfare The expectation of a military conflict requires the commanders in the field to draw up a military operation plan This war plan

varied according to the defined objectives often being differently viewed by the combatants on either side of the conflict. There was in addition the aspect of using biological agents as weapons of warfare. There are numerous records of the use of biological weapons in antiquity. It is therefore not surprising that medical personnel played a very important role in battle plans and were generally highly regarded by the commanders and troops these medics serviced.

Portraits of Battle

Peter Farrugia, Evan J. Habkirk, 2021-04-01. All Canadians are taught about Vimy Ridge. But that celebrated victory was just one battle among many to shape the country's experience of the First World War. Portraits of Battle brings together biography, battle accounts and historiographical analysis to examine the lives of a cross section of Canadians who served in the war. Contributors to this thoughtful collection consider the range of Canadians touched by war: soldiers and their loved ones, deserters, nurses, Indigenous people, those injured in body or mind, raising fundamental questions about the nature of conflict and memory. These portraits of the formerly faceless men and women honoured on war memorials fill in what is often missing from accounts of the Great War. In the process they provide a more nuanced perspective on the complex legacy of that war in Canadian history.
