

The background of the book cover is a painting of a winter seascape. In the foreground, a person wearing a red jacket is ice skating on a frozen body of water. The water is dark and textured, with white ice patches. In the middle ground, a small white boat is visible on the water. The background shows a hazy, mountainous landscape under a cloudy sky. The overall tone is somber and atmospheric.

Sibelius Glenda Dawn Goss, 2009-12-15 One of the twentieth century's greatest composers Jean Sibelius 1865-1957 virtually stopped writing music during the last thirty years of his life Recasting his mysterious musical silence and his undeniably influential life against the backdrop of Finland's national awakening Sibelius will be the definitive biography of this creative legend for many years to come Glenda Dawn Goss begins her sweeping narrative in the Finland of Sibelius's youth which remained under Russian control for the first five decades of his life Focusing on previously unexamined events Goss explores the composer's formative experiences as a Russian subject and a member of the Swedish speaking Finnish minority She goes on to trace Sibelius's relationships with his creative contemporaries with whom he worked to usher in a golden age of music and art that would endow Finns with a sense of pride in their heritage and encourage their hopes for the possibilities of nationhood Skillfully evoking this artistic climate in which Sibelius emerged as a leader Goss creates a dazzling portrait of the painting sculpture literature and music it inspired To solve the deepest riddles of Sibelius's life work and enigmatic silence Goss contends we must understand the awakening in which he played so great a role Situating this national creative tide in the context of Nordic and European cultural currents Sibelius dramatically deepens our knowledge of a misunderstood musical giant and an important chapter in the intellectual history of Europe
