## Sky Father And Son:

**Sky Father and Son** Mary A. Joyce, Evelyn Gordon, 1990      *Children of the Blood* Bernard Juillerat, 2020-08-20 This fascinating book translated from the French explores the Yafar society a forest people living by shifting cultivation hunting and gathering Based on fifteen years of research it offers a detailed examination of all aspects of a society whose material and nutritional relations with their rainforest environment are mediated by a sociocultural system based on a carefully negotiated relationship with natural forces and harmony between the sexes The author shows how these basic ideas can be found in the ritualized and institutional aspects of the Yafar s social life as well as their mythology Rich in detail and insight this book fully documents the Yafar s complex ritual involving a symbolic exchange with the spirit world a secret cult and curing rites presided over by hereditary religious officials The author s analysis of Yafar ideologies reveals that sexual reproduction is the key to their society and the model for continuity and regeneration prescribed by nature      *Jim Morrison, Secret Teacher of the Occult* Paul Wyld, 2024-09-10 Reveals Jim Morrison as a shamanic initiate and esoteric teacher who used his role as a rock singer to promote the adventure of the spirit and express the power of inner experience Examines Morrison s deep occult and artistic influences including Kurt Seligmann s *The Mirror of Magic* Colin Wilson s *The Outsider* and the works of Jack Kerouac Draws on Morrison s lyrics and poems his intimate writings and the recollections of friends like photographer Paul Ferrara and Doors keyboard player Ray Manzarek The groundbreaking 1960s band The Doors named for Aldous Huxley s *The Doors of Perception* achieved incredible acclaim and influence ultimately serving as a key group in the development of psychedelic and progressive rock At the center of it all was front man Jim Morrison who died in 1971 at age 27 Yet as author Paul Wyld reveals despite Morrison s reputation as a lewd drunken performer he was a full fledged mystical shamanic figure a secret teacher of the occult who was not merely central to the development of rock music but also to the growth of the Western esoteric tradition as a whole Wyld looks at the mystical works that inspired Morrison including Kurt Seligmann s *The Mirror of Magic* Colin Wilson s *The Outsider* and the writings of Nietzsche and Jack Kerouac Drawing on Morrison s lyrics and poems his intimate writings and the recollections of friends like photographer Paul Ferrara and Doors keyboard player Ray Manzarek the author makes the case that Morrison was not simply a superficial dabbler in the occult but an actual secret teacher transmitting knowledge through the golden thread stretching back to Egypt and Thoth Hermes Explaining how Morrison sought to use his role as a rock singer to express the power of inner experience Wyld shows how praxis was at the heart of Morrison s approach revealed in his journey through the arduous ordeals of shamanic initiation He was a shaman mystic and sage and an essential part of a great spiritual awakening to which he gave himself over fully      Dark Light Ronald Schenk, 2001-01-01 Reveals the effects of the cultural unconscious or world soul in human experience      Dark Light Ken MacLeod, 2004-06-01 In this science fiction sequel to *Cosmonaut* Keep a human and his friends travel to another planet to interrogate gods and solve a mystery Intelligence it turns out is rare on planetary surfaces

It thrives everywhere else from the Oort cloud fringes of star systems to the magma furnaces beneath planetary crusts And among the most powerful of the galaxy's intelligences there are profound differences of opinion about how to deal with surface life forms such as human beings For untold light years from Earth the powers that rule the universe have been for millennia plucking humans and other intelligent beings from Earth and forcibly resettling them in a number of star systems close to one another leaving them to develop on their own A few generations ago a small cadre of humans from Earth's twenty-first century arrived in this Second Sphere on their own power the first humans ever to do so Their descendants have formed the Cosmonaut class that dominates Mingulay Now two hundred years later Gregor Cairns and a small group of associates have rediscovered faster than light travel and traveled to the star system next door They're determined to find more of the original mysteriously long-lived cosmonauts They want answers And for those answers they intend to interrogate the gods

**The Mrozek Reader** Sławomir Mrozek, 2004 Sławomir Mrozek has reigned as the pre-eminent playwright and satirist of Eastern Europe for the past half century A sharp critic of all oppressive systems during the Cold War he began his career as a young enthusiast for the new Communist regime in the early 1950s It didn't take long however until he was deemed such a threat that his work was banned not only in his native Poland but also in all Eastern bloc countries After the fall of Communism he returned home from self-imposed exile in the West and was recognized as a major literary figure This reissue of fourteen plays and ten short stories along with a sampling of his capricious cartoons affirms Mrozek's mastery of a wide spectrum of styles and illustrates the development of his talent over the decades From the
