

Slaves Of The Sisterhood

Patricia Morton

Slaves Of The Sisterhood:

Slaves of the Sisterhood Random House,2000-11-01 **Slaves of the Sisterhood** Anna Grant,2000 Forced to wear revealing uniforms and to endure humiliating punishments beautiful twins Brigit and Imogene are thrust into the world of the Sisterhood Under the watchful eye of the strict headmistress of their academy the girls are subjected to the strictest discipline and have to endure gruelling tests **Living History** Ana Lucia Araujo,2009-05-05 This book focusses on the

several forms of reconstructing the slave past in the present The recent emergence of the memory of slavery allows those who are or who claim to be descendents of slaves to legitimize their demand for recognition and for reparations for past wrongs Some reparation claims encompass financial compensation but very often they express the need for memorialization through public commemoration museums and monuments In some contexts presentification of the slave past has helped governments and the descendants of former masters and slave merchants to formulate public apologies For some expressing repentance is not only a means to erase guilt but also a way to gain political prestige The authors analyse different aspects of the recent phenomenon of memorializing slavery especially the practices employed to stage the slave past in both public and private spaces The essays present memory and oblivion as part of the same process they discuss reconstructions of the past in the present at different public and private levels through historiography photography exhibitions monuments memorials collective and individual discourses cyberspace religion and performance By offering a comparative perspective on the United States and West Africa as well as on Western Europe South America and the Caribbean the chapters offer new possibilities to explore the resurgence of the memory of slavery as a transnational movement in our contemporary world

Discovering the Women in Slavery Patricia Morton,1996-01-01 As Patricia Morton notes in her historiographical introduction *Discovering the Women in Slavery* continues the advances made especially over the last decade in understanding how women experienced slavery and shaped slavery history In addition the collection illuminates some emancipating new perspectives and methodologies Throughout the contributors pay close attention over time and place to variations differences and diversity regarding issues of gender and sex race and ethnicity and class They draw on such qualitative sources as letters novels oral histories court records and local histories as well as quantitative sources like census data and parish records

Black Women's Intellectual Traditions Kristin Waters,Carol B. Conaway,2022-11-21 A new edition of a landmark work on Black women s intellectual traditions An astonishing wealth of literary and intellectual work by nineteenth century black women is being rediscovered and restored to print In Kristin B Waters s and Carol B Conaway s landmark edited collection *Black Women s Intellectual Traditions* sophisticated commentary on this rich body of work chronicles a powerful and interwoven legacy of activism based on social and political theories that helped shape the history of North America *Black Women s Intellectual Traditions* meticulously reclaims this American legacy providing a collection of critical analyses of the primary sources and their vital traditions Written by leading scholars this book is particularly

powerful in its exploration of the pioneering thought and action of the nineteenth century Black woman lecturer and essayist Maria W Stewart abolitionist Sojourner Truth novelist and poet Frances Ellen Watkins Harper educator Anna Julia Cooper newspaper editor Mary Ann Shadd Cary and activist Ida B Wells The volume will interest scholars and readers of African American and women s studies history rhetoric literature poetry sociology political science and philosophy This updated edition features a new preface by the editors in light of current scholarship

Slave Girl Becomes The Queen Yan XiaoYanYan,2020-10-17 She was the bane of the heavens the abandoned daughter of the Xue Clan and a lowly and despicable criminal Until she became his concubine then she would ride the winds and surf through the waves stepping onto the path of a counterattack She would become the peerless imperial concubine To her the life and death of her family the honor and honor of her family as well as her own dignity all had to be protected by her death Only for him love but in the turbulent times uncertain She was only willing to wash away all her splendor and spend all her splendor so that she could be with Elder Jun

Women in Chains Venetria K. Patton,2012-02-01 2000CHOICEOutstanding Academic Title Using writers such as Harriet Wilson Frances E W Harper Pauline Hopkins Toni Morrison Sherley Anne Williams and Gayl Jones the author highlights recurring themes and the various responses of black women writers to the issues of race and gender Time and again these writers link slavery with motherhood their depictions of black womanhood are tied to the effects of slavery and represented through the black mother Patton shows that both the image others have of black women as well as black women s own self image is framed and influenced by the history of slavery This history would have us believe that female slaves were mere breeders and not mothers However Patton uses the mother figure as a tool to create an intriguing interdisciplinary literary analysis

Slaves to Fashion Monica L. Miller,2009-10-08 Cultural and literary history of black dandyism from the 1700s to the 1960s

Subjects of Slavery, Agents of Change Kari J. Winter,2010-07-01 In Subjects of Slavery Agents of Change Kari J Winter compares the ways in which two marginalized genres of women s writing female Gothic novels and slave narratives represent the oppression of women and their resistance to oppression Analyzing the historical contexts in which Gothic novels and slave narratives were written Winter shows that both types of writing expose the sexual politics at the heart of patriarchal culture and both represent the terrifying aspects of life for women Female Gothic novelists such as Emily and Charlotte Bronte Ann Radcliffe and Mary Shelley uncover the terror of the familiar the routine brutality and injustice of the patriarchal family and of conventional religion as well as the intersecting oppressions of gender and class They represent the world as in Mary Wollstonecraft s words a vast prison in which women are born slaves Writing during the same period Harriet Jacobs Nancy Prince and other former slaves in the United States expose the all pervading corruption of southern slavery Their narratives combine strident attacks on the patriarchal order with criticism of white women s own racism and classism These texts challenge white women to repudiate their complicity in a racist culture and to join their black sisters in a war against the peculiar institution Winter explores as well the ways that Gothic heroines and slave women

resisted subjugation Moments of escape from the horrors of patriarchal domination provide the protagonists with essential periods of respite from pain Because this escape is never more than temporary however both types of narrative conclude tensely The novelists refuse to affirm either hope or despair thereby calling into question conventional endings of marriage or death And although slave narratives were typically framed by white authored texts containment of the black voice did not diminish the inherent revolutionary conclusion of antislavery writing According to Winter both Gothic novels and slave narratives suggest that although women are victims and mediators of the dominant order they also can become agents of historical change

The Woman as Slave in Nineteenth-Century American Social Movements Ana Stevenson, 2020-02-03

This book is the first to develop a history of the analogy between woman and slave charting its changing meanings and enduring implications across the social movements of the long nineteenth century Looking beyond its foundations in the antislavery and women s rights movements this book examines the influence of the woman slave analogy in popular culture along with its use across the dress reform labor suffrage free love racial uplift and anti vice movements At once provocative and commonplace the woman slave analogy was used to exceptionally varied ends in the era of chattel slavery and slave emancipation Yet as this book reveals a more diverse assembly of reformers both accepted and embraced a woman as slave worldview than has previously been appreciated One of the most significant yet controversial rhetorical strategies in the history of feminism the legacy of the woman slave analogy continues to underpin the debates that shape feminist theory today

The Enthralling World of E-book Books: A Detailed Guide Revealing the Advantages of E-book Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and simplicity of access, have freed readers from the limitations of hardcopy books.
