founders of mindbodygreen challenge our definition of self improvement by revealing what a healthy lifestyle looks like at the fundamental level and how it's not what we think. On your journey toward a more health conscious life you've likely been bombarded by an overwhelming amount of information from the Kardashian like wellness influencers who unrealistically insist upon sustainably sourced Epsom salt baths every night to the elite longevity optimizers who measure their lactate levels after a workout. The echo chamber of the internet and social media algorithms that favor polarizing opinions to drive views and engagement have hijacked our understanding of health. No matter which corner of the wellness world you inhabit our social feeds are filled with advice that presumes we all have the same amount of time, money and resources. In this saturated landscape how can you avoid the potential scams and dodge the doctors turned celebrities to find what really works for you? Over the past decade Colleen and Jason Wachob co founders of mindbodygreen have cultivated a leading wellness lifestyle media brand for everyone seeking to cut through this noise and live a happier healthier and greener lifestyle. *The Joy of Well Being* is a distillation of almost fifteen years of this experience on the forefront of the well being conversation they've done the legwork so you don't have to. The book explores the spectrum of well being from how we breathe to how we love including Why sleep should be considered a vital sign Why you shouldn't trick your body with food How to overcome the motivation problem and move more The importance of relationships for longevity and so much more. The Wachobs are a product of their mentors and years of working with hundreds of the world's most brilliant well being minds PhDs MDs therapists movement specialists spiritual leaders and journalists. They've developed ways to discern meaningful points of information amidst the chaos an act they consider both a science and an art. *The Joy of Well Being* is more than a book it's a reawakening marking a crucial shift away from the do this then do that paradigm to cultivating a joyful lifestyle that centers each individual and their own health and happiness. True well being isn't something you chase it is something you weave together as each new day presents an opportunity to make choices that support feeling good in your body in your relationships and in your life.
