Peterson, 2006 Sir John Betjeman 1906 1984 Poet Laureate was probably the most widely read English poet of the twentieth century Because of his frequent appearances on radio and television and his fervent devotion to the preservation of England's architectural heritage his face and voice became familiar to millions Few other poets of any century have had such a powerful influence on their contemporaries This bibliography lists and describes all of his known writings including his own books ephemera contributions to periodicals and to books by others lectures and radio and television programmes Other categories such as editorships music settings and dramatic adaptations of his poems recordings and interviews are also included as well as a section devoted to writings about him Manuscripts and drafts of all his works are described in detail This enormous body of material is thoroughly indexed cross referenced and in most cases annotated Now at last the activities of this remarkable man both a poet and a cultural phenomenon can be seen in their full breadth and complexity

Anti-Sport Sentiments in Literature John Bale, 2007-11-05 This book draws on literature specifically on the writings of selected novelists and poets to widen an existing anti sport discourse to include hitherto excluded voices from the world of literature The book commences with a review of exiting pro and anti sport discourses and then proceeds to examine in turn the written works of five eminent authors excavating from their writings their anti sports rhetorics These writers are Lewis Carroll Charles Dodgson Charles Hamilton Sorley Jerome K Jerome John Betjeman and Alan Sillitoe In its conclusion the book draws together the broad themes discussed in the preceding chapters Innovative in its approach to sport and literature and remarkable for its not having been previously explored in any depth this book will be of interest to readers from both social sciences and humanities backgrounds *Harvest Bells* John Betjeman, 2019-06-27 A charming new collection of previously unpublished and uncollected poems by Sir John Betjeman John Betjeman's unforgettable poems on landscape and suburbia desire and death faith and doubt helped to establish him as the beloved voice of a nation Yet the ten books of poetry he published individually later assembled in the *Collected Poems* were an incomplete representation of his poetic oeuvre Many poems published in journals or magazines were excluded from Betjeman's books by him or his editors and a substantial number of finished poems were never printed at all remaining unknown to readers until now In this exquisite new edition of Betjeman's verse editor Kevin Gardner promises new treasures for Betj's admirers the world over Betjeman wrote many of these poems in the late 1920s and early 1930s when he was still developing his unique poetic voice They reveal a young poet experimenting with both Modernism and post Romanticism yet influenced by Shelley and Pope among others Some of these poems are profoundly psychological personal and deeply affecting to read today Several have the delicate and eccentric touch of much of his early poetry and shed new light on his

growth as a young poet while many others reflect the sustained maturity of his later verse Almost all are typically amusing and highly witty in the style typical of Betjeman some verge on the bawdy and even in one instance point towards homosexuality These charming and surprising new discoveries found in archives as far apart as Austin Texas and Christ Church Oxford will delight poetry lovers and introduce a whole new generation to Betjeman's unforgettable work

The Complete Works of W. H. Auden Wystan Hugh Auden, 2002 V 1 This book contains all the essays and reviews that W H Auden wrote during the years when he was living in England and also includes the full original versions of his two illustrated travel books Letters from Iceland written in collaboration with Louis MacNeice and Journey to a War written in collaboration with Christopher Isherwood Auden's early prose ranges from extravagant indiscreet travel diaries through sharply observed critiques of writers from John Skelton to Winston Churchill It includes studies of communism and Christianity audaciously wide ranging essays on literature psychology and politics and writings about gossip sex prisons and schools V 2 W H Auden's first ten years in the United States were marked by rapid and extensive change in his life and thought He became an American citizen fell in love with Chester Kallman and began to reflect on American culture and to explore the ideas of Reinhold Niebuhr and other Protestant theologians This volume contains every piece of prose that Auden wrote during these years including essays and reviews he published under a pseudonym Most have never been reprinted in any form since their initial publication in such magazines and newspapers as the Nation the New Republic Common Sense Vogue and the New York Times V 3 This volume contains all of W H Auden's prose works from 1949 through 1955 including many little known essays that exemplify his range wit depth and wisdom The book includes the complete text of Auden's first separately published prose book The Enchaf'd Flood or The Romantic Iconography of the Sea followed by more than one hundred separate essays reviews introductions and lectures as well as a questionnaire complete with his own answers about the reader's fantasy version of Eden Two reviews that Auden wrote for the New Yorker but which the magazine never printed appear here for the first time and a series of aphorisms previously published only in a French translation are printed in English Among the previously unpublished lectures is a long account of the composition of his poem Prime complete with his comments on early rejected drafts The variety of style and subject in this book is almost inexhaustible Auden writes about the imaginary mirrors that everyone carries through life French existentialism and New Yorker cartoons Freud Kierkegaard Dostoyevsky and Camus Keats Cervantes Melville Colette Byron Virgil Yeats Tolkien and Virginia Woolf opera ballet cinema prosody and music English and American poetry and society and politics and religion The introduction by Edward Mendelson places the essays in biographical and historical context and the extensive textual notes explain obscure contemporary references and provide an often amusing history of Auden's work as an editor of anthologies and a series of books by younger poets V 4 This fourth volume of W H Auden's prose provides a unique picture of this legendary writer's mind and art when he was at the height of his powers from 1956 through 1962 including the years when he was Professor of Poetry at Oxford The

volume includes his best known and most important prose collection *The Dyer's Hand* as well as scores of essays reviews and lectures on subjects ranging from J R R Tolkien and Martin Luther to psychedelic drugs cooking and Homer Much of the material has never been collected in book form and some selections such as the witty orations Auden wrote for ceremonies at Oxford University are almost entirely unknown Edward Mendelson's introduction and comprehensive notes provide biographical and historical explanations of all obscure references The text includes extensive corrections and revisions that Auden marked in personal copies of his work and which are printed here for the first time V 5 This fifth volume of W H Auden's prose displays a great writer's mind in its full maturity of wisdom learning and emotional and moral intelligence It contains his most personally revealing essays the ones in which he wrote for the first time about the full history of his family life his sexuality and the development of his moral and religious beliefs Among these works are the lightly disguised autobiographies that appear in long essays on the Protestant mystics and on Shakespeare's sonnets The book also features the full text of his T S Eliot Memorial Lectures *Secondary Worlds* and many unpublished or unavailable lectures and speeches Edward Mendelson's introduction and comprehensive notes provide biographical and historical explanations of obscure references The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time V 6 This sixth and final volume of W H Auden's prose displays a great writer's mind in its full maturity of wisdom learning and emotional and moral intelligence It contains the full text of the only book that he regarded as an autobiography *A Certain World* in which he portrayed himself by selecting and commenting on writings by others that most affected him throughout his life It also features late essays and reviews that in many cases present lightly disguised autobiographies among them the most detailed account of his sexuality in *Papa Was a Wise Old Sly Boots* The appendixes gather lectures and public talks that are otherwise unpublished or unavailable Edward Mendelson's comprehensive notes provide biographical and historical explanations of obscure references The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time Amazon.com *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **John Betjeman** Greg Morse, 2012-02-29 John Betjeman was undoubtedly the most popular Poet Laureate since Tennyson This book explores his identity through such Victorianism via the verse of that period but also its architecture religious faith and more importantly religious doubt *The Landscapes of W. H.*

Auden's Interwar Poetry Ladislav Vít, 2021-12-14 This is the first book length study foregrounding Auden's sense of place as a means for enhancing our grasp of this crucial twentieth century poet. Proposing that Auden had a remarkable spatial sensibility, this book concentrates on his treatment of his homeland England as well as the North Pennines and Iceland, both of which served as his good places, holy grounds and sources of topophilic sentiment. The readings draw on the scholarship of humanistic geography, tracing patterns of mental constructs which emerge from spatial experience. In a scholarly but engaging way, this book argues that focusing on Auden's poetics of place as it emerged and evolved can be instrumental to our understanding of this influential poet, not only in relation to his epoch but also to the Anglophone poetic tradition. Precisely because of his stature, these elaborations on Auden's preoccupation with places, escapism, borders and local identity promise to enrich our understanding of the cultural and intellectual climate of the interwar period when established notions of local places and cultures were beginning to be contested by internationalisation. This study will be of interest to both academics and students in the field of Anglophone literary studies while also appealing to those attracted to Auden's poetry, interwar culture and the literary representation of space.

Shadow Sites Kitty Hauser, 2007-03-29 At certain times of the day, at sunrise and sunset, the outlines of prehistoric fields, barrows and hill forts in the British landscape may be thrown into relief. Such shadow sites, best seen from above and captured by an airborne camera, are both examples of and metaphors for a particular way of seeing the landscape. At a time of rapid modernisation and urbanisation in mid twentieth century Britain, an archaeological vision of the British landscape reassured and enchanted a number of writers, artists, photographers and film makers. From John Piper, Eric Ravilious and Shell guide books to photographs of bomb damage, aerial archaeology and *The Wizard of Oz*, Kitty Hauser delves into evocative interpretations of the landscape and looks at the affinities between photography as a medium to capture traces of the past as well as their absence.

Elkhorn Richard Taylor, 2018-09-21 When former Kentucky Poet Laureate Richard Taylor took a job at Kentucky State University in 1975, he purchased a fixer upper in need of a roof, a paint job, city water and central heating that became known to his friends as Taylor's Folly. The historic Giltner Holt House, which was built in 1859 and sits close by the Elkhorn Creek, a few miles outside of Frankfort, became the poet's entrance into the area's history and culture, and the Elkhorn became a source of inspiration for his writing. Driven by topophilia, love of place, Taylor focuses on the eight mile stretch of the creek from the Forks of the Elkhorn to Knight's Bridge to provide a glimpse into the economic, social and cultural transformation of Kentucky from wilderness to its current landscape. He explores both the natural history of the region and the formation of the Forks community. Taylor recounts the Elkhorn Valley's inhabitants from the earliest surveyors and settlers to artist Paul Sawyier, who memorably documented the creek in watercolors, oils and pastels. Interspersed with photographs and illustrations, contemporary and historic, and intermixed with short vignettes about historical figures of the region, *Elkhorn: Evolution of a Kentucky Landscape* delivers a history that is by turns a vibrant and meditative personal response to the creek and its many wonders. Flowing

across four counties in central Kentucky Elkhorn Creek is the second largest tributary of the Kentucky River Known for its beauty and recreational opportunities Elkhorn Creek has become an increasingly popular location for canoeing kayaking and camping and is one of the state s best known streams for smallmouth bass bluegills and crawfish Like Walden Pond for Henry David Thoreau the Elkhorn has been a touchstone for Taylor A beautiful blend of creative storytelling and historical exploration of one of the state s beloved waterways Elkhorn celebrates a gem in the heart of central Kentucky
