Stonehenge Wiltshire Ancient Monuments And Historic Buildings:

Stonehenge R.S. Newall,1965 *Stonehenge, Wiltshire* R. S. Newall,1959 **Ancient Monuments and Historic Buildings** **Stonehenge, Wiltshire** Great Britain. Ministry of Works,1947 **The Stones and the Stars** Duncan Lunan,2012-11-28 There are at least 48 identified prehistoric stone circles in Scotland In truth very little is known about the people who erected them and ultimately about what the stone circles were for Most stone circles are astronomically aligned which has led to the modern debate about why the alignment was significant The megaliths certainly represented an enormous co operative effort would at the very least have demonstrated power and wealth and being set away from any dwellings probably served a ceremonial or perhaps religious purpose Observations at the site of the stone circles of solar lunar and stellar events have already cast light on some of the questions about the construction and use of ancient megalithic observatories In his capacity as manager of the Parks Department Astronomy Project author Duncan Lunan designed and built the first astronomically aligned stone circle in Britain in over 3 000 years The Stones and the Stars examines the case for astronomical alignments of stone circles and charts the development of a fascinating project with a strong scientific and historical background The work was documented in detail by the artist and photographer Gavin Roberts and this archive has been added to since so an appropriate selection of illustrations will bring the project vividly to life **The Pyramids and the Pentagon** Nick Redfern,2025-09-12 The Pyramids and the Pentagon is a detailed study of how and why government agencies have for decades taken a clandestine and profound interest in numerous archeological historical and religious puzzles Focusing primarily upon the classified work of the U S Government The Pyramids and the Pentagon invites you to take a wild ride into the fog shrouded past It s a ride that incorporates highlights such as The CIA s top secret files on Noah s Ark U S Army documents positing that the Egyptian Pyramids were constructed via levitation Disturbing military encounters with Middle Eastern djinns Claims of nuclear warfare in ancient India Links between the Face on Mars and the pharaohs And many more Nick Redfern s The Pyramids and the Pentagon clearly and provocatively demonstrates that deep and dark conspiracies exist within the shadowy world of officialdom conspiracies that have the ability to rock the foundations of civilization religion and history to their very core The strange and amazing secrets of the past are just a heavily guarded government vault away **Ancient Monuments in the Countryside** Timothy Darvill,2014-02-15 Much of England s rich archaeological heritage lies in the countryside Many monuments such as barrows hillforts and Roman villas are familiar features to the landscape while other sites lie buried or only partly visible These remains are the result of the impact on the landscape of the countless generations of people who have lived worked and died within it The cumulative effect is the landscape we know today in which the historical dimension is an integral component of the valued whole and an important part of what most people in England are increasingly concerned to see protected and conserved The archaeological heritage however is a finite and fragile resource and much of it has been lost in the last two decades as a result of increasing

pressures on farming industry and commerce to maximise the return on investment in the land The conservation of what remains therefore needs to be given urgent consideration This report has three main goals First it aims to present the background to the recognition investigation and management of the archaeological resource Second it attempts to review what is known of the resource the threats currently posed to it and the ways in which it can be exploited and conserved Finally it looks towards the development and promotion of a secure future for ancient monuments in the countryside

Archaeological Heritage Management Henry Cleere, 2020-11-25 This book results from discussions at the 1982 World Archaeological Congress on Public Archaeology and Cultural Resource Management It brings to everyone's notice the common need of a coherent well planned response to the potentially destructive threats of development and tourism to archaeology

Lost Secrets of the Gods Michael Pye, Kirsten Dalley, 2025-09-12 Are there 10 000 year old secret societies that still exist today Was there a race of giants that once inhabited the Americas Did ancient Egypt and ancient China have heretofore undiscovered ties *Lost Secrets of the Gods* delves into these ancient mysteries and many more in articles by some of the world's most intrepid and knowledgeable researchers The old paradigms of history are being radically transformed as we discover more evidence of little known cultures and what they achieved Many ancient cultures spoke and wrote of visitors that gave them knowledge and helped shape their societies Who were they and where did they come from We now know that many ancient cultures had advanced knowledge of science agriculture and astronomy only some of which has been rediscovered in the last 100 years Were *The Iliad* and *The Odyssey* really about an epic struggle in pre Celtic Europe What happened to the Persian army that completely disappeared from Egypt 2 500 years ago Did the ancients know how to create psychic guard dogs to protect sacred sites There is much more to history than what has officially been recorded *Lost Secrets of the Gods* reveals startling truths and asks fascinating questions traditional historians have long ignored
