*Taste of Shakespeare's Country* J. Salmon Limited,1996-06-01      *A Taste of Shakespeare's Country and the Heart of England* ,1995      **The Avon and Shakespeare's Country** Arthur Granville Bradley,1910      **Shakespeare's Country** John Russell,1949      The Works of Shakespeare: King Lear William Shakespeare,1901      **Language in Colonization, Renaissance Poetry and Shakespeare** Jonathan Locke Hart,2024-09-30

Language is the central concern of this book. Colonization poetry and Shakespeare and the Renaissance itself provide the examples I concentrate on. Text in context, close reading, interpretation, interpoetics and translation with particular instances and works examining matters of interpoetics in Renaissance poetry and prose including epic and the Hugo translation of Shakespeare in France and trying to bring together analysis that shows how important language is in the age of European expansion and in the Renaissance. I provide close analysis of aspects of colonization, front matter, paratext in poetry and prose and Shakespeare that deserve more attention. The main themes and objectives of this book are an exploration of language in European colonial texts of the New World, paratexts or front matter, Renaissance poetry and Shakespeare through close reading including interpoetics, liminality, translation and key words.

**Study Guide to As You Like It by William Shakespeare** Intelligent Education,2020-03-27

A comprehensive study guide offering in depth explanation, essay and test prep for William Shakespeare's *As You Like It*, one of Shakespeare's great or middle comedies. As a satirical tale of pastoral romance, *As You Like It* examines the cruelties and corruption of court life and love. Moreover, Shakespeare amusingly weaves a tale of love manifested in varied forms but targets the main theme of love at first sight through his playful imagery and characters. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains Introductions to the Author and the Work, Character Summaries, Plot Guides, Section and Chapter Overviews, Test Essay and Study Q. As the Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Highways and Byways in Shakespeare's Country William Holden Hutton,1914      **Shakespeare and the American Nation** Kim C. Sturges,2004-06-17

Why do so many Americans celebrate Shakespeare, a long dead English poet and playwright? By the nineteenth century, newly independent America had chosen to reject the British monarchy and Parliament, class structure and traditions, yet their citizens still made William Shakespeare a naturalized American hero. Today the largest group of overseas visitors to Stratford-upon-Avon, the Royal Shakespeare Company and Bankside's Shakespeare's Globe Theatre come from America. Why is there more to Shakespeare's American popularity than just a love of men in doublet and hose speaking soliloquies? This book tells the story of America's relationship with Shakespeare. The story of how and why Shakespeare became a hero within American popular

culture Sturgess provides evidence of a comprehensive nineteenth century appropriation of Shakespeare to the cause of the American Nation and shows that as America entered the twentieth century a new world power for many Americans

Shakespeare had become as American as George Washington      **The complete works of William Shakespeare, with a biogr. intr. by H.G. Bell, illustr. with 65 photo-engravings of eminent histrionic artists** William Shakespeare,1900

O'Connor,2000-02 Celebrates the life and work of William Shakespeare including his marriage sexuality family life and experiences in the theater      Disseminating Shakespeare in the Nordic Countries Nely Keinänen,Per Sivefors,2022-01-27

Charting the early dissemination of Shakespeare in the Nordic countries in the 19th century this opens up an area of global Shakespeare studies that has received little attention to date With case studies exploring the earliest translations of Hamlet into Danish the first translation of Macbeth and the differing translations of Hamlet into Swedish adaptations into Finnish Kierkegaard s re working of King Lear and the reception of the African American actor Ira Aldridge s performances in Stockholm as Othello and Shylock it will appeal to all those interested in the reception of Shakespeare and its relationship to the political and social conditions The volume intervenes in the current discussion of global Shakespeare and more recent concepts like rhizome which challenge the notion of an Anglocentric model of centre versus periphery It offers a new assessment of these notions revealing how the dissemination of Shakespeare is determined by a series of local and frequently interlocking centres and peripheries such as the Finnish relation to Russia or the Norwegian relation with Sweden rather than a matter of influence from the English Cultural Sphere      The Complete Works of Shakespeare. **The Oxford Handbook of Shakespeare and Performance** James C. Bulman,2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare s contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for

international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today     The Works of William Shakespeare William Shakespeare,1905
