**The Worlds of Tomie dePaola** Barbara Elleman, 2021-03-09 Barbara Elleman's insightful biography on Tomie dePaola captures the essence of the beloved author/illustrator through engaging stories, childhood photos, countless illustrations, and thoughtful analysis of decades of celebrated books. Tomie dePaola is one of the best known and most beloved creators of books for children. His art and his stories, which are filled with imagination, humor, grace, and curiosity, represent a love of life that is reflected in everything he does. Barbara Elleman's exploration of Tomie dePaola's career takes a fascinating look at the many worlds dePaola has brought to life through his work, from autobiographical memories to folktales, religious stories, nursery rhymes, and more, including, of course, the inventive world of his most famous character, Strega Nona. Originally published in 1999 and filled with evocative artwork, captivating photographs, and heartwarming anecdotes, this comprehensive book has been updated to cover two new decades of dePaola's creativity. Elleman's thoughtful narrative brings a fresh appreciation to the work of a unique author/illustrator, one who is a true legend of children's literature and a source of lasting joy for generations of readers young and old. **Through the Eyes of a Child** Donna E.
