**SignMates** Bernie Ashman, 2012-07-08  
Somehow your relationship that started out so wonderfully is having problems Or perhaps you d like to anticipate what problems could occur in a potential relationship More importantly you need to know how to resolve the problems Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another Recognizing and dealing with them can save relationships You ll find out how to do this in Bernie Ashman s SignMates Contrary to what some people think your astrological sign doesn t force you to do anything It is simply an indicator of what you are By understanding how the signs relate you can better understand relationships and how to overcome problems that may arise In a nutshell that is what this book will do for you The book relates potential problems

in a relationship between every sign of the zodiac For example if you are a Virgo and your partner is a Scorpio you may play the Sabotage Game where you make it difficult for your partner to reach goals because of unresolved anger or jealousy To deal with this you need to become aware of negative unproductive comments and support your partner Two other games and coping strategies are given Or perhaps you are a Libra and your partner is an Aquarius You may experience the Lovers and Strangers Game where your sense of closeness vacillates between extremes This is a test to see if you can handle emotional heat You have to be willing to simply and honestly discuss your feelings Again two more games and strategies for dealing with the conflicts that cause them are given No matter what sign you and your partner are this book will pinpoint the potential pitfalls and how to deal with them Also included for each pairing is the good news a rainbow at the end of the difficulties which indicates how great such a relationship can be Ideal for both non astrologers and astrological pros this book can help save your relationship     **Pisces (Super Horoscopes 2009)** Margarete Beim,2008-07-01 More information to be announced soon on this forthcoming title from Penguin USA     **Soul Mates - the Formula** Vincent Sylvan,2013-02-12 Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate This formula gives the readers action steps on how to narrow their search along the way to identify this mystical person that Vincent believes we all have These are methods the author has tested and applied himself on his own quest in finding his soul mate After many years of research his first marriage for seventeen years not being able to succeed he experienced divorce and failure This triggered him to find the answers more than ever before and past the prime of his life Sylvan had an awakening and developed the formula to find his other half of his soul the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman Putting into practice the secret to his revelation he finds her on the Internet the hardest place to find his soul mate to put his formula to the test The results surpassed his expectations Vincent realized once more the importance for everyone to find their soul mate to live a life of wonders That is why he created this book For more information on Sylvan visit his blogs to find more about his philosophy and poetry at [www.vincentsylvan.com](http://www.vincentsylvan.com)     **Cancer (Super Horoscopes 2012)** Margarete Beim,2011-07-05 In an uncertain world knowing the future couldn't hurt Every day people look to their horoscopes for answers big and small Super Horoscopes supply the answers they seek in the most comprehensive day to day predictions on the market With special sections on the history and uses of astrology these updated books will show readers exactly what the future holds for them Each sign includes Detailed yearly and daily forecasts Rising signs and rising times Lucky numbers Cusp born and cusp dates Signs of the zodiac Character analysis Love romance and marriage compatibility guide Moon tables Planting and fishing guides Influence of the moon and planets Famous personalities November and December 2011 daily forecasts repeated Special overview of 2011 thru 2020     **Cancer (Super Horoscopes 2011)** Margarete Beim,2010-07-06 The most comprehensive day by day predictions on the market Every day people depend on their horoscopes for a glimpse of what's to

**The Royal Secret** I. Edward Clark, 2017-07-11 A fascinating book on Symbolism and Astrology of Freemasonry first published in 1923. Away back in 1887 when the city of Alpena was located in the heart of one of the lumber districts of Michigan, Hopper Lodge U D now No 386 of that city was pleased to honor me with membership in due and ancient form. In those days or at least in that Lodge there was no horseplay and I was so impressed with the work that I resolved to master all the lectures which I did. The part which interested me the most was the one which I could learn the least about. I would have sacrificed a five dollar note to learn why Pythagoras sacrificed a hecatomb and would have given as much to anyone who would explain the mystery surrounding the 47th Problem of Euclid as depicted on the lecture chart. When inquiry failed me I made diligent search and finally discovered the KEY OF THE HOUSE OF DAVID through the knowledge of which I was enabled to penetrate the allegorical veil just as Pythagoras did five hundred years before the Christian era. On the night of my initiation I was told that Freemasonry was founded on the Bible and all its secrets were hidden therein. In my research work I discovered that the true secrets of Freemasonry were written in the stars and the book of nature and a knowledge of astronomy and astrology was necessary to lift the allegorical veil. Upon obtaining this knowledge I discovered that the Bible was founded upon the same law as Freemasonry, i.e. the stars and the book of nature.
