Human Rights and Taxation in Europe and the World Georg Kofler,Miguel Poiarés Maduro,Pasquale Pistone,2011 Resumen del editor The increasing globalization and the restructuring of the European legal framework by the Treaty of Lisbon are important factors to suggest that the traditional separation of spheres between taxation and human rights should be revisited This book examines the issues surrounding the impact of the Lisbon Treaty on the guarantee and enforcement of human rights in the area of EU tax law and explores the possible development and potential impact of human rights in the field of taxation in this age of global law

Capital, Coercion, and Postcommunist States Gerald M. Easter,2012-09-18 The postcommunist transitions produced two very different types of states The contractual state is associated with the countries of Eastern Europe which moved toward democratic regimes consensual relations with society and clear boundaries between political power and economic wealth The predatory state is associated with the successors to the USSR which instead developed authoritarian regimes coercive relations with society and poorly defined boundaries between the political and economic realms In Capital Coercion and Postcommunist States Gerald M Easter shows how the cumulative result of the many battles between state coercion and societal capital over taxation gave rise to these distinctive transition outcomes Easter s fiscal sociology of the postcommunist state highlights the interconnected paths that led from the fiscal crisis of the old regime through the revenue bargains of transitional tax regimes to the eventual reconfiguration of state society relations His focused comparison of Poland and Russia exemplifies postcommunism s divergent institutional forms The Polish case shows how conflicts over taxation influenced the emergence of a rule of law contractual state social market capitalism and civil society The Russian case reveals how revenue imperatives reinforced the emergence of a rule by law predatory state concessions style capitalism and dependent society

Inspectors and Enforcement at the Front Line of Government Steven Van de Walle,Nadine Raaphorst,2018-12-29 This book explores the social dynamics of the interaction between inspectors and their inspectees in the public sector Government inspectors have a crucial role in enforcing rules and standards The role of inspectors has changed Their task is no longer to merely inspect and enforce but also to educate to negotiate and to make compromises Their decisions come about as a result of an interaction with inspectees Do I punish or do I let go Do I negotiate or do I issue a fine Do I believe what this inspectee is telling me Using insights from public administration regulation and sociology this book looks at the daily work of a diverse group of inspectors such as tax inspectors veterinary inspectors school inspectors environmental inspectors or health inspectors

Fabulating Beauty ,2005-01-01 Peter Carey is one of Australia s finest creative writers much admired by both literary critics and a worldwide reading public While academia has been quick to see his fictions as exemplars of postcolonial and postmodern writing strategies his general readership has been captivated by his deadpan sense of humour his quirky

characters the outlandish settings and the grotesqueries of his intricate plots After three decades of prolific writing and multiple award winning Carey stands out in the world of Australian letters as designated heir to Patrick White *Fabulating Beauty* pays tribute to Carey's literary achievement It brings together the voices of many of the most renowned Carey critics in twenty essays sixteen commissioned especially for this volume an interview with the author as well as the most extensive bibliography of Carey criticism to date The studies represent a wide range of current perspectives on the writer's fictions Contributors focus on issues as diverse as the writer's biography his use of architectural metaphors his interrogation of narrative structures such as myths and cultural master plots intertextual strategies concepts of sacredness and references to the Christian tradition and his strategies of rewriting history Amidst predictions of the imminent death of postist theory the essays all attest to the ongoing relevance of the critical parameters framed by postmodernism and postcolonialism

Beneficial Ownership: Recent Trends Michael Lang, Pasquale Pistone, Josef Schuch, Claus Staringer and Alfred Storck, 2013 The concept of beneficial ownership is frequently called one of the most decisive questions in international tax law Despite this fact neither scholars nor courts have found a generally accepted definition This book provides a comprehensive overview of the latest developments concerning the concept of beneficial ownership Highly renowned tax experts both from academia and practice analyse the most important decisions recently made by courts around the world Moreover the recently published OECD Discussion Draft on the meaning of beneficial ownership is being taken into account and the meaning of the term beneficial owner used in European tax law in comparison to its meaning in tax treaty law is being assessed The authors not only draw a better picture of the status quo but also enhance the discussion of the future meaning of the term beneficial owner

Andromedum Sergey Brezhnev, 2015-09-02 Jack Philips is running and he can't even remember why Hunted through the remnants of a world where our past exists only as fractured clues Jack has almost as little information about his identity Only a sword too fine for any common soldier and flashes of memory telling him things that would get anyone else in the kingdom executed The kingdom itself is a mystery its king determined to maintain that mystery by any means necessary Knowledge is hoarded the majority of the kingdom reduced to living in a world of swords and horses kings and petty wars Around them steel and glass stand as half remembered snatches of the past but for most people they point to truths they will never be permitted to grasp When Jack meets Henry and Dahlia a father and daughter dedicated to the preservation of the past his simple sprint for the edges of the kingdom turns into something more complex Henry wants to save as much as he can of what came before the kingdom Dahlia simply wants to tear the kingdom down Ultimately Jack must decide whether to keep on running or finally make a stand for the world as it should be Either way the hunters are still coming He might not remember them but they definitely remember him
