Taxation Reform In China:

China's Tax Reform Options Trish Fulton, Jinyan Li, Dianqing Xu, 1998 Selected papers presented at the International Symposium on Reform of the Chinese Tax System held at the University of Western Ontario in London Canada in Aug 1996

Fiscal Policy in China Roy W. Bahl, 1999 In this book Professor Roy Bahl traces the history of the 1994 tax reform in China and evaluates its impact The 1994 reform was the most systematic and comprehensive restructuring of China's revenue system It covered the country's tax structure tax administration central provincial fiscal relations and provincial local fiscal relations In a concluding chapter he examines possibilities for continuing taxation reform in China Only a scholar with Professor Roy Bahl's extensive experience as adviser to developing countries on tax reform could have written a book with such breadth and depth This book should be required reading for all students of economic development comparative fiscal systems or the Chinese economy

Rural Tax Reform in China Linda Chelan Li, 2012-03-15 This book charts the twists and turns in the change processes of a recent phase of an old practice in China state extraction from the rural population Using extensive interview data with local and central bureaucrats Li's findings highlight the role of parallel developments and agency in the change process as well as the prevalence of contingency and uncertainty It also elegantly blends the narrative of the rural tax and administrative reforms with theoretical discussions to deepen our understanding of policy process and institutional change in 21st century China

Tax Reform in Rural China Hiroki Takeuchi, 2014-08-11 How does China maintain authoritarian rule while it is committed to market oriented economic reforms This book analyzes this puzzle by offering a systematic analysis of the central local governmental relationship in rural China focusing on rural taxation and political participation Drawing on in depth interviews with Chinese local officials and villagers and combining them with game theoretic analyses it argues that the central government uses local governments as a target of blame for the problems that the central government has actually created The most recent rural tax reforms which began in 2000 were a conscious trade off between fiscal crises and rural instability For the central government local fiscal crises and the lack of public goods in agricultural areas were less serious concerns than the heavy financial burdens imposed on farmers and the rural unrest that the predatory extractive behavior of local governments had generated in the 1990s which threatened both economic reforms and authoritarian rule

Tax Administration Reform in China John Brondolo, Zhiyong Zhang, 2016-03-17 Tax administration improvements have contributed significantly to a doubling of China's tax to GDP ratio and the substantial reduction in taxpayers compliance costs since the mid 1990s This paper describes the key features of China's tax administration and their evolution over the last 20 years It also identifies emerging challenges to the tax system and areas where further tax administration improvements are needed to sustain tax revenue and reduce taxpayers compliance costs in the future

OECD Fiscal Federalism Studies Making Property Tax Reform Happen in China A Review of Property Tax Design and Reform Experiences in OECD Countries OECD, 2021-11-30 This report looks at crucial elements of reforms to

growth friendly recurrent taxes on immovable property Tax design practices in place in OECD and partner countries are compared and analysed through the lenses of economic theory and empirical analysis *Tax Systems and Tax Reforms in South and East Asia* Luigi Bernardi,Angela Frascini,Parthasarathi Shome,2007-01-24 This book examines the present status recent tax reforms and planned tax policies in some South and East Asia countries since the 1990s The evidence is presented in a user friendly manner but at the same time uses technically sophisticated methods The main countries studied are China India Japan Malaysia South Korea and Thailand It is unique for being the first systematic treatment of the topic hitherto the information available has been widely dispersed and difficult to access It should prove to be a natural companion to two previous books on taxation published by Routledge and also edited by Luigi Bernardi The Politics of Rural Reform in China Christian Göbel,2010-06-10 Based on a treasure trove of information collected through fieldwork interviews and painstaking documentary research through the Chinese and Western language presses this book analyzes one of the most important reforms implemented in China over the past decade the rural tax and fee reform also known as the Third Revolution in the Countryside The aim of the tax was to improve social stability in rural China which has become increasingly shaken by peasant protests many of them large scale and violent By examining the gap between the intentions of the reform and the eventual outcomes Göbel provides new insights into the nature of intergovernmental relations in China and highlights the ways in which the relationship between the state and the rural populace has fundamentally changed forever The Politics of Rural Reform in China will appeal to students and scholars of Chinese politics governance and development studies

Improving the Tax System amid the Rule-of-Law China Qiao Wang,Wei qun Xi,2022-01-15 This book discusses China's tax system presenting a comprehensive and systematic research based on a multidisciplinary approach involving economics finance political science sociology law public administration history and econometrics With China moving toward the rule of law this book proposes reforms to the tax laws and the stratified governance with a view to achieving tax neutrality law based taxation tax equality and tax burden stability It focuses on clarifying the implications extension nature and features of a law based tax system as well as the logical relationships between the optimization of the tax system structure modern governance law based tax administration as well as the tax sharing system of tax collection and the rule of tax law It suggests that optimizing the tax structure reforming the tax sharing system improving local taxes and restructuring the tax collection and management system will push China's tax system toward sound design and rule of law This book is intended for scholars specializing in China's tax system and general readers interested in China's economy Tackling Difficulties in Tax Administration Reform Jia Kang,Liang Ji,Cheng Yu,2024-11-26 This book explores China's tax system one of the largest in the world it operates on a quite different logic in taxing income property and capital gains compared with most other countries In an effort to reduce income inequality and continue to drive robust growth a lively debate about the reform of China's tax system is taking place In this book some of China's most prominent thinkers on the topic share their insights and proposals

This book will interest scholars of the Chinese economy business analysts and scholars of taxation policy **Individual Income Taxation Reform in China** Jingyi Wang,2020 Individual income tax IIT contributes to the national fiscal revenue in China although not in such a large portion as that in more developed jurisdictions The year 2019 saw the most significant IIT reform in China since 1994 For the first time itemized deductions and personalized costs are taken into account in calculating the IIT liability The schedular system is also moving to the model of integrated income This article first summarizes from a theoretical perspective why and how individual income is taxed and questions whether there exists an ideal model for the IIT From a historical perspective it attempts to look into the reasons that triggered the latest IIT reform and considers its appropriateness in the Chinese context In evaluating the pros and cons of the reform this article makes reference to experiences from other relatively more mature taxation systems including Hong Kong While the reform may help modernize the Chinese tax system this article concludes by calling for further reforming measures Rural Politics in Contemporary China Emily T. Yeh, Kevin O'Brien, Jingzhong Ye, 2016-01-22 This collection provides an overview of China's rural politics bringing scholarship on agrarian politics from various social science disciplines together in one place The twelve contributions spanning history anthropology sociology environmental studies political science and geography address enduring questions in peasant studies including the relationship between states and peasants taxation social movements rural urban linkages land rights and struggles gender relations and environmental politics Taking rural politics as the power inflected processes and struggles that shape access and control over resources in the countryside as well as the values ideologies and discourses that shape those processes the volume brings research on China into conversation with the traditions and concerns of peasant studies scholarship It provides both an introduction to those unfamiliar with Chinese politics as well as in depth new research for experts in the field This book was published as a special issue of the Journal of Peasant Studies **Transformation of the Fiscal and Taxation Systems** Kang Jia, Liu Wei, 2022-02-24 This book elucidates the murky realities of China's taxation system today and advocates bold plans for change Theorizing finance and taxation in relation to a national political system the authors explain the current tangled up realities of China's creaky inherited and uneven tax system and put forward a plan for radical change This book will be of interest to finance professionals economists and scholars of the Chinese economy The focus is to properly handle the three basic economic and social relations between the government and the market and the enterprises as the main market entities between the central and local governments and between the public power system and the citizens This book follows the research context of problem orientation goal orientation practical operation and puts forward the ideas basic goals and paths of fiscal system reform that adapt to the modernization of national governance Handbook on Taxation W. Bartley Hildreth, 2019-07-16 A groundbreaking reference this book provides a comprehensive review of tax policy from political legal constitutional administrative and economic perspectives A collection of writings from over 45 prominent tax experts it charts the influence

of taxation on economic activity and economic behavior Featuring over 2400 references tables equations and drawings the book describes how taxes affect individual and business behavior shows how taxes operate as work and investment incentives explains how tax structures impact different income groups weighs the balanced use of sales property and personal income taxes traces the influence of recent tax changes and more

Thirty Years of China's Reform Wang Mengkui, 2013-02-28 China Development Research Foundation is one of the leading economic think tanks in China where many of the details of China's economic reform have been formulated Its work and publications therefore provide great insights into what the Chinese themselves think about economic reform and how it should develop This book presents a comprehensive survey of China's reforms of the last thirty years Its coverage includes macroeconomic policy banking finance capital markets and tax trade labour markets price reform social security and much else Overall it provides an invaluable assessment of the reforms from the perspective of experts within China including an appraisal of how extensive the reforms have been what consequences have turned out and how far the reforms have been successful

Dictionary of Contemporary Chinese Economics Hong Yinxing, 2025-05-26 This Dictionary provides the theoretical summary and conceptual framework around the milestones obtained through Chinese reform and development and highlights the research achievements of Chinese economics over the past 40 years It also presents Chinese economics to the world featuring the Belt and Road Initiative and the Chinese theory and Chinese system to be known and shared internationally with a Chinese intellectual foundation It sets out to frame the theoretical achievements of extraction and summary of practice experience from Chinese reform and development The choice of entries in the Dictionary seeks to embody the very Chinese characteristics of economics and the combination of theory and practice is illuminated Furthermore the dictionary explores examples of scientific achievements that traditional economics has brought forward and how they fit and unify within both a Chinese as well as an international context

China's Fiscal Policy Gao Peiyong, 2017-07-06 As an important macroeconomic variant the fiscal revenue and expenditure can influence the operation of the whole economic and social activities by changing the existing GDP distribution pattern affecting the consumption and investment of enterprises and people etc Thus fiscal policy has always been a primary instrument of macroeconomic regulation This book imports fiscal policy into the framework of macroeconomic analysis and through the analysis of the former it unfolds the major changes of China's macroeconomic operation in the past 20 years This book begins with China's rejoining the General Agreement on Tariffs and Trade GATT in the 1990s which enabled China to deepen the reform and join the international market finally It elaborates on the challenges China's taxation would be confronted with after rejoining the GATT including the decrease of tax revenue and higher requirements for tax reform Then this book combs China's fiscal policies under various economic situations chronologically tax policy under the background of deflation proactive fiscal policy at the beginning of 21st century macroeconomic policy options facing a complicated and volatile economy etc How to deal with the new normal of

development China's economy has entered is also addressed This book will appeal to scholars and students of economics and China's economic studies The Chinese Path Toward a Leaner Government Yining Li,Zhiqiang Cheng,2023-04-01 This book focuses on the administration streamlining aligned with the market oriented reform process in China The book is divided into two parts The first part clarifies why administration is necessary and important what it covers and how to deal with the relation between the central and the local governments The second part presents empirical analysis in specific areas including agricultural reform fiscal reform government reform and education reform and a series of decentralization reforms This book is a collective wisdom from Peking University and is edited by Chinese economist Yining Li **China: Two Decades Of Reform And Change** Gungwu Wang,John Wong,1999-09-30 Since the start of reform two decades ago China's economy has experienced spectacular growth Today China has grown to be the world's seventh largest economy or the world's second largest after the USA in terms of purchasing power parity China's society and its political landscape have also been radically changed This volume serves as a convenient handbook for both scholars and laymen to have a good overview of China's major developments and transformations in the political economic legal and social spheres since 1978 Such a review will be useful for appreciating the enormous problems that will challenge China in its next phase of transition All in all China has undoubtedly made impressive progress in most areas of reform in the past but its remaining reform endeavour and future obstacles it has to face can be even more daunting *China tax reform and WTO accession project* China International Taxation Research Institute (CITRI),2004 The chapter on tax administration and legislative principles addresses the basic concepts that need to be observed in designing effective equitable and efficient tax reform The use of taxation as a policy tool and rights and obligations of taxpayers are also dealt with The chapter on individual income tax provides a conceptual overview of a modern individual income tax system that the authors recommend as the longer term framework for China's short and medium term decisions on tax reforms The chapter on enterprise income tax taking into account China's intention to modernize the enterprise income tax system and replace the two current laws on enterprise tax with one law discusses the building blocks of a modern system The chapter on VAT and business tax develops a VAT design against the background of VAT models and sources of VAT law in other countries and addresses the desirability of VAT and business tax being merged The chapter on China's WTO accession and tax reform discusses China's WTO related obligations in the area of taxation

The book delves into Taxation Reform In China. Taxation Reform In China is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Taxation Reform In China, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Taxation Reform In China
- Chapter 2: Essential Elements of Taxation Reform In China
- Chapter 3: Taxation Reform In China in Everyday Life
- Chapter 4: Taxation Reform In China in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Taxation Reform In China. This chapter will explore what Taxation Reform In China is, why Taxation Reform In China is vital, and how to effectively learn about Taxation Reform In China.
3. In chapter 2, this book will delve into the foundational concepts of Taxation Reform In China. This chapter will elucidate the essential principles that must be understood to grasp Taxation Reform In China in its entirety.
4. In chapter 3, this book will examine the practical applications of Taxation Reform In China in daily life. The third chapter will showcase real-world examples of how Taxation Reform In China can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Taxation Reform In China in specific contexts. This chapter will explore how Taxation Reform In China is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Taxation Reform In China. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Taxation Reform In China.
