electronics class at Benjamin Franklin Institute where IBM hired me After 20 years in the world of high technology I became disillusioned with corporate life and moved with my family to Costa Rica where I had the pleasure of meeting a man named Dr Deepak Chopra who contacted me and invited my wife and I to join him at his private lunch with the presidential candidate of Costa Rica during his one day conference How People always ask me Why after 17 years did you return from the paradise of Costa Rica to the U S This is my true story
