Taxi Zum Klo:

Taxi zum Klo, 2011 *"Taxi Zum Klo" (Taxi To The Toilet): Film Review* Pat Rocco (1934), *The Myth of Political Correctness* John K. Wilson, 1995 The classics of Western culture are out not being taught replaced by second rate and Third World texts White males are a victimized minority on campuses across the country thanks to affirmative action Speech codes have silenced anyone who won't toe the liberal line Feminists wielding their brand of sexual correctness have taken over These are among the prevalent myths about higher education that John K Wilson explodes The phrase political correctness is on everyone's lips on radio and television and in newspapers and magazines The phenomenon itself however has been deceptively described Wilson steps into the nation's favorite cultural fray to reveal that many of the most widely publicized anecdotes about PC are in fact more myth than reality Based on his own experience as a student and in depth research he shows what's really going on beneath the hysteria and alarmism about political correctness and finds that the most disturbing examples of thought policing on campus have come from the right The image of the college campus as a gulag of left wing totalitarianism is false argues Wilson created largely through the exaggeration of deceptive stories by conservatives who hypocritically seek to silence their political opponents Many of today's most controversial topics are here multiculturalism reverse discrimination speech codes date rape and sexual harassment So are the well recognized protagonists in the debate Dinesh D Souza William Bennett and Lynne Cheney among others In lively fashion and in meticulous detail Wilson compares fact to fiction and lays one myth after another to rest revealing the double standard that allows conservative correctness on college campuses to go unchallenged *The Richard Dyer Reader*, 2023-08-10 Richard Dyer is a foundational figure for the critical study of cinema and popular culture Across a career spanning five decades he has made path breaking contributions to our understanding of stardom and celebrity gay and queer politics and cultural history film music race and whiteness and the pleasures of popular entertainment The Richard Dyer Reader brings together for the first time key writings by this vital and influential figure many of which are not otherwise available The anthology guides readers through Dyer's prolific and rich output through six thematic selections of essays and extracts each centred on a key theme in Dyer's work stardom and the image entertainment and ideology gay politics and representation whiteness the pleasures of popular entertainment and textual analysis A seventh section comprises a selection of interviews conducted across the span of his career as well as a new interview with editors Glyn Davis and Jaap Kooijman The book will provide an introduction for those new to Dyer's writings as well as offering a fresh perspective for readers with a more comprehensive knowledge of his work The collection includes archival and recent pieces of writing never previously anthologised newly commissioned essays a substantial introduction to Dyer's life and work and framing introduction to each section *Taxi Zum Klo. Erotic comedy*, 1981 *Queer Virginia* Charles H. Ford, Jeffrey L. Littlejohn, 2025-06-12 A new definitive queer history of the Commonwealth Queer Virginia is a long needed record of the courageous and creative ways that LGBTQ people

across the commonwealth have persevered and fought for their rights The history recovered here is remarkable and illuminating including the life of Hannah Nokes a Black transgender woman who overcame severe discrimination in Loudoun County during the 1930s the story of the Hershee Bar a historic lesbian bar in Norfolk and longtime community focal point efforts to gather oral histories and produce a queer digital archive in the old capital of the Confederacy and much more Full of poignant and telling glimpses of LGBTQ life through the decades this volume reveals generations of widespread prejudice and oppressive laws and the inspiring resilience that queer Virginians brought to this struggle **Top 50 Most Influential Gay Movies Of All Time** Jason Shaw,2012-03 A wonderful fully comprehensive guide to the most influential gay movies of all time exhaustively researched each film is presented with a full plot synopsis honest and frank review and reader comments This is an exceptional book full of insight entertainment and knowledge A must for any film buff or cinema goer **Seen That, Now What?** Andrea Shaw,1996-04-09 This revolutionary reference offers viewers a variety of ways to hone in on the right choice for an evening s entertainment Going beyond the broad categories Action Comedy Drama etc found in most guides this book features small groups of films arranged according to specific categories as historical swashbucklers screwball comedies and Busby Berkeley musicals Shaw eschews the standard star rating system to focus on more telling criteria **TLA Film and Video Guide** David Bleiler,1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films **Sex Panic Rhetorics, Queer Interventions** Ian Barnard,2020-04-07 Winner of the 2021 Conference on College Composition and Communication Lavender Rhetorics Award for Excellence in Queer Scholarship Analyzes the rhetoric of contemporary sex panics to expose how homophobia heterosexism and transphobia define public political and scholarly preoccupations with sexuality and gender In Sex Panic Rhetorics Queer Interventions Ian Barnard makes the counter intuitive argument that contemporary sex panics are undergirded by queerphobia even when the panics in question don t appear to have much to do with queerness Barnard presents six case studies that treat a wide range of sex panic rhetorics around child molesters sex trafficking transgenderism incest queer kids and pedagogy to demonstrate this argument By using examples from academic scholarship political discourse and popular culture including the Kevin Spacey scandal and the award winning film Moonlight Barnard shows how homophobia and transphobia continue to pervade contemporary Western culture Barnard is concerned not so much with looking at the overt homophobia and transphobia that are the more obvious objects of antihomophobic and antitransphobic critique The author s focus rather is on excavating the significant traces of these panics in a neoliberal culture that has supposedly demonstrated its civility by its embrace of diversity renunciation of its homophobic past and attentiveness to the transgender revolution that has swept popular media and political culture in the United States and elsewhere During a time of increasing conservative backlashes against

advancing LGBTQ rights and human rights discourses in general this book shows why it is important to attend to the liberal covers for sex panics that are not too far removed from their rhetorically conservative cousins **The German Cinema**

Book Tim Bergfelder, Erica Carter, Deniz Göktürk, Claudia Sandberg, 2020-02-20 This comprehensively revised updated and significantly extended edition introduces German film history from its beginnings to the present day covering key periods and movements including early and silent cinema Weimar cinema Nazi cinema the New German Cinema the Berlin School the cinema of migration and moving images in the digital era Contributions by leading international scholars are grouped into sections that focus on genre stars authorship film production distribution and exhibition theory and politics including women s and queer cinema and transnational connections Spotlight articles within each section offer key case studies including of individual films that illuminate larger histories Heimat Downfall The Lives of Others The Edge of Heaven and many more stars from Ossi Oswalda and Hans Albers to Hanna Schygulla and Nina Hoss directors including F W Murnau Walter Ruttmann Wim Wenders and Helke Sander and film theorists including Siegfried Kracauer and Béla Balázs The volume provides a methodological template for the study of a national cinema in a transnational horizon Conversations with Pauline Kael Pauline Kael, 1996 Interviews with Pauline Kael movie critic for the New Yorker from 1968 to 1991

Grounding Berlin Timothy Moss, 2025-06-10 Grounding Berlin explores the city s pioneering contributions to urban technology and urban ecology in Europe and around the world over the past 150 years Following the 1871 unification of Germany Berlin experienced rapid industrialization and urbanization Providing the necessary energy water waste removal and land required massive interventions in the city and its surrounding region As Berlin transformed nature in the name of urban modernism it earned a global reputation as a technopolis This reputation for innovation in urban technology was fanned in the Weimar Republic and revived in very different ways in West Berlin to cope with political isolation after 1949 to embrace a sustainability agenda in the early years of the reunified city and to decarbonize the city today Berlin is an instructive case study for understanding the ambitions and tensions involved in transforming environments through technology across highly diverse political regimes More broadly the book advances envirotech history as a productive lens for studying shifting relationships between society nature and technology in cities **Midnight Cowboy** Jon

Towlson, 2023-03-15 Midnight Cowboy the story of a small town stud s attempt to make it big as a hustler on the streets of 1960s New York is an indisputably iconic film Though recognized in terms of its early adoption of Nouvelle Vague cinematography and editing techniques and renowned for an Oscar win in spite of controversy over its X rating Midnight Cowboy has yet to be understood as a classic of queer cinema Jon Towlson reclaims Midnight Cowboy as a queer text by addressing John Schlesinger as a gay author and filmmaker and providing a fresh perspective on the film s relationship to the 1965 James Leo Herlihy novel from which it was adapted Offering a nuanced and personal view of the film s relevance to queer experience and queer friendship Towlson also considers Midnight Cowboy s production and reception and its place in

Schlesinger's filmography Depictions of sixties New York counterculture and 42nd Street hustlers offer an opportunity for reassessment particularly in the film's relationship to male prostitution male relationships and sexual identity By shifting the perspective away from previous interpretations of *Midnight Cowboy* as homophobic and problematic Towson argues for a new interpretation of the film as a proto queer buddy movie and a critical forerunner to films such as *My Own Private Idaho* and *Brokeback Mountain*

On Sexuality and Power Alan Sinfield, 2004 It is widely supposed that the most suitable partner will be someone very much like oneself gay fiction and cinema are often organized around this assumption Nonetheless power differentials are remarkably persistent as well as sexy What are the personal and political implications of this insight Sinfield argues that hierarchies in interpersonal relations are continuous with the main power differentials of our social and political life gender class age and race therefore it is not surprising that they govern our psychic lives Recent writing enables an exploration of their positive potential especially in fantasy as well as their danger *On Sexuality and Power* focuses on the writing of the last thirty years revisiting also Whitman Wilde Mann Forster and Genet and reassessing the very idea of a gay canon

Youth Culture in Global Cinema Timothy Shary, Alexandra Seibel, 2009-01-27 Coming of age is a pivotal experience for everyone So it is no surprise that filmmakers around the globe explore the experiences of growing up in their work From blockbuster U S movies such as the *Harry Potter* series to thought provoking foreign films such as *Bend It Like Beckham* and *Whale Rider* films about youth delve into young people's attitudes styles sexuality race families cultures class psychology and ideas These cinematic representations of youth also reflect perceptions about youth in their respective cultures as well as young people's worth to the larger society Indeed as the contributors to this volume make plain films about young people open a very revealing window on the attitudes and values of
