Teach Yourself Nazi Germany:

Understand Nazi Germany: Teach Yourself Michael Lynch,2012-03-30 Understand Nazi Germany is an accessible introduction to one of the most controversial and debated periods of history The years 1933 45 witnessed the take over of Germany by a man and a movement whose racial and political policies are now regarded with universal abhorrence but which at the time were genuinely popular This gripping study explains not only the key events but their causes and impacts

Teach Yourself Nazi Germany Mike Lynch,2004-11-09 Here you ll learn about Germany s failing economy and poor working conditions which helped Adolf Hitler in his ascension to power You will come away with a fuller understanding of the nation s political structure and culture as well as Hitler s instruments of terror treatment of Jews and women concentration camps and Germany s role in WWII The Teach Yourself History series present all the facts and dates in a dynamic format that enables you to experience and understand the great historic events that shaped and continue to influence our world

History Mike Lynch,2004 The Teach Yourself History series offers an alternative to academic historical books its content being extensive yet extremely accessible and the approach refreshingly different The books are informative and compelling and engage the reader from beginning to end They assume no prior historical knowledge and are full of anecdotes and details that provide a very personal appeal Teach Yourself Nazi Germany is an accessible introduction to one of the most controversial periods in modern history It looks at the wider picture surrounding it from the creation of the German nation to Hitler s rise to power and his motives Before destroying himself and his nation in a bitter world war the Nazi leader Adolf Hitler was adored by the mass of the German people This book attempts to explain this paradox by involving the reader in the remarkable story of the Third Reich and in the controversies that still surround it The engaging narrative looks at many different aspects including the economy and working conditions the structure of the country politics society culture Hitler s instruments of terror treatment of Jews the role and treatment of women concentration camps and of course Germany in the Second World War

Understand the Second World War: Teach Yourself Alan Farmer,2010-08-27 Understand the Second World War will show you how one of the most important events in history developed charting the main military campaigns and examining the path to Allied victory and its impact on the countries involved Full of anecdotes and details which provide a personal appeal it serves as an accessible introduction to one of the most important tragic and costly events in history NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author s many years of experience EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding THINGS TO REMEMBER Quick refreshers to help you remember the key facts
