Saldarini, 1994-05-16 The most Jewish of gospels in its contents and yet the most anti Jewish in its polemics the Gospel of Matthew has been said to mark the emergence of Christianity from Judaism Anthony J Saldarini overturns this interpretation by showing us how Matthew far from proclaiming the replacement of Israel by the Christian church wrote from within Jewish tradition to a distinctly Jewish audience Recent research reveals that among both Jews and Christians of the first century many groups believed in Jesus while remaining close to Judaism Saldarini argues that the author of the Gospel of Matthew belonged to such a group supporting his claim with an informed reading of Matthew s text and historical context Matthew emerges as a Jewish teacher competing for the commitment of his people after the catastrophic loss of the Temple in 70 C E his polemics aimed not at all Jews but at those who oppose him Saldarini shows that Matthew s teaching about Jesus fits into first century Jewish thought with its tradition of God sent leaders and heavenly mediators In Saldarini s account Matthew s Christian Jewish community is a Jewish group albeit one that deviated from the larger Jewish community Contributing to both New Testament and Judaic studies this book advances our understanding of how religious groups are formed      **The Overcomers Bible Study Guide plus Streaming Video** Matt Chandler, 2024-06-11 In An Overwhelming World We Can Be Overcomers For the last 2 000 years the book of Revelation has given courage not fear to Christians around the world In this 8 session video Bible study video access included bestselling author and pastor Matt Chandler will explore the book of Revelation and what it s teaching us about the days we live in now about the body of believers and about Christ our King You ll visit each chapter in Revelation discovering how Jesus on His throne has already secured the victory over the enemy and what that means to our generation today As a member of the church that carries on the mission of the first churches you are an overcomer a believer who is empowered by the work and authority of Jesus Christ This study guide has everything you need for a full Bible study experience including The study guide itself with discussion and reflection questions video notes and a leader s guide An individual access code to
