## Teach Yourself Creative Writing:

Complete Creative Writing Course Chris Sykes, 2014-09-26 LEARN HOW TO WRITE CREATIVELY WITH THIS COMPREHENSIVE AND PRACTICAL COURSE The only comprehensive Creative Writing title on the market that goes beyond introducing the basic genres to offering a complete journey along the writing path including material on editing redrafting and polishing a piece of work Featuring the unique Workshop exercises to encourage readers to hone their work rather than just progressing through a number of exercises Takes the reader from complete beginner or committed amateur to the point you've completed edited and redrafted your work and are ready for publication ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their story Covering a range of genres from science fiction and romantic novels to illustrated children's books and comedy this series is packed with advice exercises and tips for unlocking creativity and improving your writing And because we know how daunting the blank page can be we set up the Just Write online community at [tyjustwrite](http://tyjustwrite.com) for budding authors and successful writers to connect and share *Teach Yourself Creative Writing* Michael LaRocca, 2012-02-26 Can you learn creative writing I don't believe that creativity can be taught Either you're born with it or you're not That's gotta make you wonder why I taught Creative Writing to literally thousands of students mostly in classrooms or why Creative Writing classes exist at all It's because the craft of writing can be studied and learned If you have that innate creativity that's wonderful But you've got to bring that out Creation remains mystical but craft is learned and honed by many hours of hard work If you have something that you need to express and the act of expressing it is agony that's just not right We want the act of self-expression to become as easy and as natural as possible How do we do that Practice That's the only way Write constantly Write thousands of words for years and years knowing it's okay if most of them suck Mine sure did To distill what you think feel and believe from all the trash floating around in your head and then to actually put that on paper the way you mean to put it is a skill that only comes from years of practice They don't teach it in any school I've ever been to I struggled at this for 20 years or so after I graduated from college That's how I learned to write Not in a classroom It doesn't matter if you've got a project going or a dozen or nothing at all These are the skills that you will use the first time you face the blank page or the hundredth You're a reading junkie aren't you I think you have to be If you want to write you must read If you don't love reading you can't create something that others will love reading If you don't love reading then writing isn't for you It's not about writing because you want to say I am a writer It's about writing because you love writing And reading In your lifetime of reading you've been unconsciously internalizing the rules of great writing That's what you want To internalize First we study rulebooks perhaps take some classes and conclude just about everything we're doing is wrong So many rules to memorize We might dread sitting down to write with all those constraints But really it's not about memorizing rules at all It's about internalizing the rules following them or not if you prefer without being consciously aware of what they are They're there but in the background Your story is what matters You're supposed to be

having fun not working At least not during the creation phase Study rules learn rules memorize rules there s one more step Internalize rules Well actually there s another step after that Break rules But do it deliberately not out of ignorance In the process of all this work you ll find your own unique writing voice Without that there s no point in writing at all [Creative Writing](#) Dianne Doubtfire,Random House,1986-09-01 **How to Craft a Great Story** Chris Sykes,2013-09-27 LEARN HOW TO PLOT AND STRUCTURE YOUR CREATIVE WRITING How to Craft a Great Story takes you step by step through the process of creating a compelling and coherent plot and structure It covers such basics as the traditional story arcs and such advanced information as finding balance and marrying structure and form Each chapter contains a diagnostic test case studies practical exercises and Aide Memoire boxes Each chapter concludes with a reminder of the key points of the chapter Focus Points and a round up of what to expect in the next Next Step will whet your appetite for what s coming and how it relates to what you ve just read Covering some of the most commonly raised questions in creative writing courses it is perfect for anyone who needs the next step on from the basic how to write a novel ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their story Covering a range of genres from science fiction and romantic novels to illustrated children s books and comedy this series is packed with advice exercises and tips for unlocking creativity and improving your writing And because we know how daunting the blank page can be we set up the Just Write online community at [tyjustwrite](http://tyjustwrite.com) for budding authors and successful writers to connect and share [Write a Novel and Get It Published: A Teach Yourself Guide](#) Nigel Watts,2010-07-12 Write that dream novel today Write a Novel and Get It Published covers everything from story arcs and themes to characterisation and language and offers plenty of practical advice for when you face that dreaded writer s block It also gives you practical writing exercises to refine your skills Additionally it guides you toward available creative writing courses and plenty of further reading resources After the reading the book you will have a solid framework that will give you the knowledge and confidence not only to write a novel but to be published One five and ten minute introductions to key principles to get you started Lots of instant help with common problems and quick tips for success based on the author s many years of experience Tests in the book and online to keep track of your progress Extra online articles at [teachyourself.com](http://teachyourself.com) to give you a richer understanding of how to write a novel Author was an experienced creative writing instructor in addition to being a successful novelist Contains fully updated listings of writing courses and additional resources Topics include Introduction Beginnings Plot The eight point arc Sub plot and symbolism Character Dialogue Viewpoint Setting the scene Style Theme Editing and shaping The personality of the writer Support Marketing Taking it further reading websites and courses **Get Started in Creative Writing: A Teach Yourself Guide** Stephen May,2014-05-28 First published in UK 2008 by Hodder Education First published in US 2010 by the McGraw Hill Companies Previously published as Teach yourself creative writing T p verso [Get Started in Creative Writing: Teach Yourself](#) Stephen May,2014-03-28 Get Started in Creative Writing will help writers at the very beginning of their creative journey to
