Complete Czech with Two Audio CDs: A Teach Yourself

Guide David Short, 2011-05-10 It's easy to teach yourself Czech. Complete Czech: A Teach Yourself Guide provides you with a clear and comprehensive approach to Czech so you can progress quickly from the basics to understanding speaking and writing Czech with confidence. Within each of the 24 thematic chapters, important language structures are introduced through life-like dialogues. You'll learn grammar in a gradual manner so you won't be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning in listening, speaking, reading, and writing. This program also features current cultural information boxes that reflect recent changes in society. The accompanying audio CDs contain all dialogues that appear in the course book, recorded by native speakers. Features: One and five minute introductions to key principles to get you started. Lots of instant help with common problems and quick tips for success based on the author's many years of experience. Tests in the book and online to keep track of your progress. Extra online articles at www.teachyourself.com to give you a richer understanding of the basics of the language.

Understand The Cold War: Teach Yourself

Carole Bryan-Jones, 2010-08-27 Understand the Cold War provides a fascinating insight into this complicated and hidden conflict from how it began to the main characters involved and the culture it created. It will help you understand how the superpowers grew and vied for dominance and how the balance was lost. All the important aspects of the war are covered from what JFK and his assassin had in common to a discussion of whether the tension ended after the fall of the Berlin Wall. Give yourself the opportunity to understand the global reach of this 45-year-long conflict which shaped the latter half of the twentieth century. NOT GOT MUCH TIME: One five and ten minute introductions to key principles to get you started. AUTHOR INSIGHTS: Lots of instant help with common problems and quick tips for success based on the author's many years of experience. EXTEND YOUR KNOWLEDGE: Extra online articles at www.teachyourself.com to give you a richer understanding. THINGS TO REMEMBER: Quick refreshers to help you remember the key facts. TRY THIS: Innovative exercises illustrate what you've learnt and how to use it.

Understand the Second World War: Teach Yourself

Alan Farmer, 2010-08-27 Understand the Second World War will show you how one of the most important events in history developed, charting the main military campaigns and examining the path to Allied victory and its impact on the countries involved. Full of anecdotes and details which provide a personal appeal, it serves as an accessible introduction to one of the most important, tragic, and costly events in history. NOT GOT MUCH TIME: One five and ten minute introductions to key principles to get you started. AUTHOR INSIGHTS: Lots of instant help with common problems and quick tips for success based on the author's many years of experience. Buchholz,2014-06-27 As industrial societies increasingly evolve into knowledge based economies the importance of education as a lifelong process is greater than ever This comprehensive book provides a state of the art analysis of adult learning across the world and with Thinking the Twentieth Century Tony Judt,2012-02-02 An intellectual feast learned lucid challenging

and accessible San Francisco Chronicle Ideas crackle in this triumphant final book of Tony Judt taking readers on a wild ride through the ideological currents and shoals of 20th century thought Los Angeles Times The final book of the brilliant historian and indomitable public critic Tony Judt *Thinking the Twentieth Century* maps the issues and concerns of a turbulent age on to a life of intellectual conflict and engagement The twentieth century comes to life as an age of ideas a time when for good and for ill the thoughts of the few reigned over the lives of the many Judt presents the triumphs and the failures of prominent intellectuals adeptly explaining both their ideas and the risks of their political commitments Spanning an era with

unprecedented clarity and insight Thinking the Twentieth Century is a tour de force a classic engagement of modern thought by one of the century's most incisive thinkers The exceptional nature of this work is evident in its very structure a series of intimate conversations between Judt and his friend and fellow historian Timothy Snyder grounded in the texts of the time and focused by the intensity of their vision Judt's astounding eloquence and range are here on display as never before Traversing the complexities of modern life with ease he and Snyder revive both thoughts and thinkers guiding us through the debates that made our world As forgotten ideas are revisited and fashionable trends scrutinized the shape of a century emerges Judt and Snyder draw us deep into their analysis making us feel that we too are part of the conversation We become aware of the obligations of the present to the past and the force of historical perspective and moral considerations in the critique and reform of society then and now In restoring and indeed exemplifying the best of intellectual life in the twentieth century Thinking the Twentieth Century opens pathways to a moral life for the twenty first This is a book about the past but it is also an argument for the kind of future we should strive for Thinking the Twentieth Century is about the life of the mind and the mindful life Judt's book Ill Fares the Land republished in 2021 featuring a new preface by bestselling author of Between the World and Me and The Water Dancer Ta Nehisi Coates
