Teacher Appraisal Observed:

Teacher Appraisal Observed G. Haynes, Felicity Wikely, E. C. Wragg, 2002-09-10 Systems for the appraisal of teachers have been in place since 1992 bringing with them considerable controversy How effective are they What does this mean for the classroom teacher This major new study led by Ted Wragg uses as its basis information gathered from all 109 Local Education authorities 658 primary and secondary teachers and 479 appraisers Teacher appraisal is examined from the perspectives of all those concerned and at all levels The main focus of the study is on teacher competence in the classroom which lies at the heart of school effectiveness and improving pupils achievement Through the use of a variety of methods including intensive case studies the book provides a unique insight into the quality of classroom practice and teacher appraisal today what it means for those involved and how to use this knowledge to move on from this point

Teacher Appraisal Observed Edward Conrad Wragg, 1996 This major new study led by Ted Wragg examines the whole area of teacher appraisal Using information obtained from primary and secondary teachers appraisers and LEA s the authors provide a unique insight into teacher competence

Positive Teacher Appraisal Through Classroom Observation Diane Montgomery, 2014-03-05 First Published in 1999 Enhancing the quality of teaching and learning in schools for the benefit of the teacher and pupil is not a matter of quick tips for teachers It requires a fundamental review by every teacher of their own performance and its effect on learners A significant way of achieving this is by reflection on performance which can best be supplied by systematic classroom observation and feedback from professional colleagues This book describes how to set up and engage in classroom observation using well established professional sampling frames It also illustrates how to use focused appraisal sessions and to deliver the feedback interview Underpinning the author s practical guidance is a tried and tested theory of improving teaching and learning for school development The approach is practical positive and supportive and is designed for senior staff SENCOs teachers in primary and secondary schools and those taking INSET and continuing professional development courses

Analysing Discourses in Teacher Observation Feedback Conferences Fiona Copland, Helen Donaghue, 2021-06-07 This volume focuses on the post observation feedback conference a common feature of teacher education programs and highlights the importance of such talk in the development and evaluation of teachers and other professionals The book adopts a linguistic ethnographic approach which provides a framework for examining the contextual nature of the talk and how it is embedded within wider social contexts and structures such as evaluation regimes Drawing on data from a range of settings including pre service teacher education medical education and teacher appraisal programs Copland and Donaghue examine the feedback conference from a range of perspectives including face identity and genre and show how a nuanced understanding of discussions can support teacher trainers supervisors and observers to provide appropriate and useful feedback A concluding chapter brings together brief vignettes from researchers active in the field to point to future directions for further study This book will be of particular interest to students and researchers in
