Teacher El Maestro People In My Community:

Enacting Praxis Kelly P. Vaughan, Isabel Nuñez, 2023 In this collection of writing and reflection readers are invited to reclaim the connection between curriculum studies and the work of educators in schools and society As the curriculum field has grown more complex and theoretical our schools have become more corporatized standardized and dehumanized This volume focuses on curriculum theory s power to assist practitioners in creating positive change Chapters highlight the work of seven influential curriculum studies scholars Maxine Greene Gloria Ladson Billings Janet Miller William Pinar William Schubert William Watkins and Carter G Woodson After introducing and contextualizing the work of each featured theorist the text includes chapters by scholar practitioners working as K 12 teachers teacher educators and community educators who have been influenced by the theorist s ideas These essays illustrate how curriculum studies scholarship influences practice in a variety of places explore the ways that curriculum studies theorizing can be an intervention against technical pedagogical or curricular approaches and focus on the importance of conversations between theory and practice Book Features Presents a historical overview of curriculum studies by recounting a brief history of the field from the 1800s through the present Provides a beginner friendly introduction to seven highly influential theorists in the field of curriculum studies Pairs the ideas of key curriculum scholars with practitioners who illustrate how curriculum studies theories influence their practice Concludes with a chapter that highlights key themes and calls for increased focus on curriculum work in schools Includes an appendix of curriculum studies resources including key journals conferences organizations and suggestions for future reading Contributors include Anthony Brown Nichole Guillory M Francyne Huckaby Lasana Kazembe and Seungho Moon The Discipline of Hope Herbert R. Kohl, 1998 It has been thirty years since Herbert Kohl taught the sixth grade Harlem class he wrote about in his classic *36 Children* He has been teaching ever since in kindergarten through graduate school as he has pursued his lifelong work with children adolescents college age students and education professionals In *The Discipline of Hope* Kohl examines teaching as a vocation and as a skill and examines his own love affair with it He provides insight into how learning takes place in the widest range of circumstances both in and out of a formal school setting He demonstrates how schools and other centers of learning can be transformed so that they become places that nurture children while instilling discipline and how they can help students meet high academic standards develop a sense of respect for themselves and others and grow into successful adults Central to this book and at the core of the act of teaching as Kohl describes it is what he calls the discipline of hope the stubborn refusal to accept limits on what students can learn or what teachers can do by helping them discover the power of their minds At a time when so many are complacent or skeptical about the possibilities of education this book with the experiences it describes of teacher and taught is an affirmation that provides guideposts insight and wisdom BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Playing for Their Lives: The Global El Sistema Movement for Social Change**

Through Music Eric Booth, Tricia Tunstall, 2016-09-13 An eye opening view of the unprecedented global spread of El Sistema intensive music education that disrupts the cycles of poverty In some of the bleakest corners of the world an unprecedented movement is taking root From the favelas of Brazil to the Maori villages in New Zealand from occupied Palestine to South Central Los Angeles musicians with strong social consciences are founding intensive orchestra programs for children in need In this captivating and inspiring account authors Tricia Tunstall and Eric Booth tell the remarkable story of the international El Sistema movement A program that started over four decades ago with a handful of music students in a parking garage in Caracas El Sistema has evolved into one of classical music's most vibrant new expressions and one of the world's most promising social initiatives Now with more than 700 000 students in Venezuela El Sistema's central message that music can be a powerful tool for social change has burst borders to grow in 64 countries and that number increases steadily across the globe To discover what makes this movement successful across the radically different cultures that have embraced it the authors traveled to 25 countries where they discovered programs thriving even in communities ravaged by poverty violence or political unrest At the heart of each program is a deep commitment to inclusivity There are no auditions or entry costs so El Sistema's doors are open to any child who wants to learn music or simply needs a place to belong While intensive music making may seem an unlikely solution to intractable poverty this book bears witness to a program that is producing tangible changes in the lives of children and their communities The authors conclude with a compelling and practicable call to action highlighting civic and corporate collaborations that have proven successful in communities around the world
