Teachers As Course Developers:

Teachers as Course Developers Kathleen Graves, 1996-02-23 *Teachers as Course Developers* is a book about how language teachers themselves rather than curriculum specialists develop and implement their own courses. It uses a unique case study approach featuring the stories of six teachers who successfully designed their own courses in different settings in Japan, the U.S. and Latin America. The book provides a framework for the processes of course development which any teacher can use in developing his or her own courses. Each chapter highlights a different aspect of the framework based on the particular teacher's approach and examines how the teacher has utilized or departed from the framework in meeting the challenges of a particular situation. Each narrative is followed by a set of tasks and discussion questions. An annotated bibliography is also included.

Teachers as Course Developers Kathleen Graves, 1996-02-23 This is a book about how language teachers themselves rather than curriculum specialists develop and implement their own courses. The paperback edition illuminates the process of course development through the narratives of six ELT teachers who have designed courses in widely varying contexts worldwide. Graves provides a framework for course design and examines how these six teachers have utilized or departed from the framework in meeting the challenges of their particular situations. Each narrative is followed by an analysis and a set of tasks that direct the reader's attention to a particular aspect of the framework.

Teacher As Course Developers South Asian Edition Graves, 1996 **Developing Courses in English for Specific Purposes** H. Basturkmen, 2015-12-11 Presented in two parts, this book firstly introduces core considerations in ESP course development drawing on examples from a wide range of ESP and EAP courses. Secondly, four case studies show how experienced ESP teachers and course developers went about developing courses to meet the needs of their particular learners.

Self-Studies of Teacher Education Practice Online Mary F. Rice, Ramona Maile Cutri, Juanjo Mena, 2024-05-20 This edited volume explores the emotional work of being an online teacher educator. The chapter authors discuss the intense work involved in planning teaching and navigating institutional contexts in order to build a relationship between online teaching and the Self Study of Teacher Educator Practice. S-STEP methodology. Additionally, the authors of the chapters in the book used the S-STEP methodology to move their practices and their teacher educator identities beyond emergency crisis uses of online teaching common during campus building closures. Each chapter offers different ways that S-STEP methodology can be used to sustain oneself as an online teacher educator. Although there are specific strategies and practices, this is not a how-to book for online teacher educating; it is an exploration of online teachers and groups of online teachers supporting themselves and each other by studying and learning from their practices.

Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Teachers As Course Developers : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
