## **The French Foreign Legion The Inside Story Of The World Famous Fighting Force:**

The French Foreign Legion John Robert Young,1988 Briefly recounts the Legion s battles and campaigns looks at the training and daily life of modern legionnaires and explains why the Legion was founded      **French Foreign Legion** John Robert Young,1984-01-01 A complete picture of the Legion as it was and as it is unsurpassable unrepeatable and totally enthralling      *The French Foreign Legion* John Radford Young,1984      **The French Foreign Legion** John Robert Young,1984      **Inside the French Foreign Legion** N. J. Valdejuli,2023-12-19 Unique among the world s fighting forces the Legion remains one of its most mysterious as well Open to volunteers from around the world men from some 150 countries fill its ranks the Legion boasts an illustrious and exciting military history stretching from Europe to Africa and Latin America from Vietnam and Algeria to Afghanistan features a notoriously difficult selection and training process accepting only 10 percent of applicants and has traditionally required soldiers to enlist under assumed names Soldiers swear allegiance not to France but to the Legion which has been romanticized in literature song and action movies as a place for men to prove their mettle or start their lives over In this colorful highly readable book a blend of firsthand experience and interviews with former legionnaires Nick Valdejuli gives an insider s perspective on what it means and what it takes to be a Legionnaire Valdejuli an English born American who spent two years in the Legion lifts the veil on who legionnaires are what they do where they serve why they joined and why they re willing to die for France which for most is a foreign country Stories move from Algeria in the 1960s and the Balkans in the 1990s to more recent French operations in Afghanistan and former colonies in Africa Drawing on his own experiences as well as those of members from various countries over the past fifty years including several girlfriends of soldiers his stories highlight the Legion s intense camaraderie and its members fierce loyalty to this unique unit in addition to the extreme mental and physical demands made of them and the sacrifices of their families back home      **Voices of the Foreign Legion** Adrian D. Gilbert,2014-07-01 The French Foreign Legion has built a reputation as one of the world s most formidable and colorful military institutions Established as a means of absorbing foreign troublemakers the Legion spearheaded French colonialism in North Africa during the nineteenth century Accepting volunteers from all parts of the world the Legion acquired an aura of mystery and a less than enviable reputation for extreme brutality within its ranks Voices of the Foreign Legion explores how the Legion selects its recruits their native lands and why these warriors seek a life full of hardship and danger It analyzes the Legion s brutal attitude toward discipline questions why desertion has been a perennial problem and assesses the Legion s remarkable military achievements since its formation in the year 1831 This is the real story of the Legion featuring firsthand accounts from the men who have fought in its ranks Its scope ranges from the conquest of the colonies in Africa and the Far East through the horrors of the two world wars to the bitter but ultimately hopeless battle to maintain France s far flung imperial possessions The story is brought fully up to date with accounts and anecdotes from those contemporary foreign legionnaires who continue to fight for French interests around
