The Frost And The Flame:

In a world reborn from fire and frost, Crystal Heart Flames unfolds the story of Lyra, a young woman bound to a power that remembers every age before her own. When two realms collide, their balance shatters, leaving Lyra as the only bridge between creation and destruction. The crystal heart within her pulses with ancient magic—alive, breathing, and dangerous. As she unravels the mystery of her inheritance, she meets Kael, a soul forged from ice and memory. Together, they confront the storm that threatens to erase everything that ever was. Through light and shadow, through beauty and loss, Lyra must choose not just between life and death, but between who she was and what the world needs her to become. Every heartbeat carries the memory of a thousand worlds, every choice reshapes the future. In the aftermath of ruin, love becomes the spark that reignites creation itself. Crystal Heart Flames is an emotionally charged fantasy of transformation and unity—where destiny burns bright, and even in silence, the heart remembers. KELAKKIYAR SIDDHAR,2025-10-29
