

The Gambia And Senegal

Abdoulaye S. Saine Ph.D.

The Gambia And Senegal:

The Gambia-Senegal Border Mariama Khan, 2019-05-22 This book interrogates the validity of longstanding claims that Gambians and Senegalese are one people in two countries and explores how that claim intersects with the politics and development needs of the two countries Half a century after independence proponents of Senegambian unification continue to campaign on the basis of the longstanding social cultural and religious ties between Africa's smallest country The Gambia and Senegal the much larger country which almost entirely encircles it The border between the two former British and French colonies remains one of the starkest examples of colonial geographical bartering and it continues to serve a dual function as a bridge and a barrier in the social political and economic relations of the two countries The book investigates how the two states are constantly pulled between impulses of cooperation and de escalation and a competitive intimacy that disregards kinship ties and re activates tensions In particular the book shows how these interstate dynamics play out across the border itself where indigenous ideas of relatedness are reflected in the cross border transport and trade sectors and in the religious networks that straddle the two countries This book's skilful exploration of intersecting macro level and micro level relations in the Senegambia region will be of interest to scholars of African politics regional studies international development and border studies

Field Guide to Birds of Senegal and The Gambia Nik Borrow, Ron Demey, 2023-07-06 Birds of Senegal and The Gambia the ultimate guide for travellers and birdwatchers visiting one of Africa's richest birdwatching regions The Gambia together with the country that envelops it Senegal has an avifauna of more than 700 regularly occurring species including many Western Palearctic migrants from September to April and a significant list of highly sought after resident West African birds such as Egyptian Plover There is a fantastic selection of Sahel specialities that are more easily seen here than anywhere else Senegal has become a reliable locality for Golden Nightjar Quail plover and Cricket Warbler and the near endemic Mali Firefinch occurs in the southeast of the country Birdwatchers in this region can also find Savile's Bustard Adamawa Turtle Dove Little Grey Woodpecker Yellow Penduline Tit Sudan Golden Sparrow and Exclamatory Paradise Whydah while the Saloum delta's huge roost of tens of thousands of African Swallow tailed Kites is one of the world's top birding spectacles This authoritative guide covers all species in the two countries including details of all residents migrants and known vagrants Almost 150 stunning colour plates depict every species comprehensively covering all the distinct plumages and subspecies likely to be encountered Concise species accounts describe key identification features status range habitat and voice accompanied by accurate distribution maps This compact guide is an essential companion for any birder visiting this ornithologically rich slice of western Africa

The Gambia & Senegal Katharina Kane, 2006 This country guide offers down to earth accurate information for every budget Includes detailed Getting Started and itinerary chapters Highlights sections that showcase the country's must see sights easy to use grid referenced maps and chapters on history culture food and environment

[The Gambia & Senegal](#) Andrew Burke, David Else, 2002 Birdsong on the banks of

the Gambia River roaring waves along the Atlantic coast rocking rhythms in bustling Dakar The Gambia and Senegal offer a variety of experiences like no other Get into the groove of West Africa with this essential guide More than 30 detailed maps including a full colour country map Dedicated section covering the music of the region Special section on Senegambia's 660 plus bird species Places to stay and eat to suit all budgets Where to enjoy the region's near perfect beach climate *Report on the Alternatives for Association Between the Gambia and Senegal*, 1964 **Historical Dictionary of The Gambia** David Perfect, 2016-05-27 When The Gambia achieved its independence from Great Britain on 18 February 1965 as mainland Africa's smallest state its future seemed uncertain It retained this status for nearly 30 years An attempted coup d'état in July 1981 was put down but ironically when other African states were returning to democratic government Gambian democracy finally succumbed to a military coup on 22 July 1994 While civilian rule was restored in 1996 full democracy was not and a number of subsequent presidential and parliamentary elections have been far from free and fair while The Gambia's human rights record has been very poor since 1994 This fifth edition of *Historical Dictionary of The Gambia* contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about The Gambia *The Handbook of Cross-Border Ethnic and Religious Affinities* Charity Butcher, 2019-04-16 Increasingly ethnic and religious variables are taken into account to explain conflict and relations between nations However ethnic and religious groups exist beyond the confines of frontiers In Africa for example hundreds of ethnic groups were divided by colonial borders and many retained kinship connections to their brethren in other countries thus creating cross border ethnic religious affinity Such cross border connections affect a variety of foreign policy from diplomacy to the use of force An internal problem can spread to other states or external actors can become involved in domestic disputes due to such factors Therefore data on cross border connections are essential to measure and assess their actual or potential effects on foreign policy or conflict This unique resource serves both qualitative and quantitative researchers For ease of use it is divided in sections for each region of world with the entries organized by pairs of contiguous countries Each entry for a pair of countries briefly discusses the ethnic and religious groups that are common to both countries and the historical and current connections between these groups The entries are organized based on the Correlates of War country codes which are widely used by researchers and allow for country pairs to be organized geographically within each section to facilitate easy use of the data **Culture and Customs of Gambia** Abdoulaye S. Saine Ph.D., 2012-04-13 Ideal for high school and undergraduate students this addition to the *Culture and Customs of Africa* series examines the contemporary cultures and traditions of modern Gambia from religious customs to literature to cuisine and much more This title in the *Culture and Customs of Africa* series examines the traditions and customs of contemporary Gambia a geographically tiny nation in the vast landscape of Africa that is home to a large number of various ethnic groups

each with its own distinctive way of life It is a country that has been largely unknown in Western culture with the exception of Alex Haley s book *Roots* and subsequent TV series which highlights Gambia s historic significance in the slave trade This book illuminates Gambian religion and worldview literature and media arts and architecture housing gender roles marriage and family social customs traditional dress cuisine and lifestyle and music and dance The author has successfully encapsulated both long ago history and contemporary Gambia to provide students with a complete look at life in Gambia today Information on past traditions and historic events is discussed in the context of how they pertain to life today and their influence on the constant evolution of Gambian life and culture *The Earth and Its Inhabitants: West Africa* Elisée Reclus,1876 *The Politics of Senegambian Integration, 1958-1994* Jeggan Colley Senghor,2008 The main preoccupation of the series *Africa in Development* is the quest for solutions to the myriad problems associated with poverty and underdevelopment This series is designed to encourage innovative thinking on a broad range of development issues Thus its remit extends to all fields of intellectual inquiry with the aim of highlighting the advantages of a synergistic interdisciplinary perspective on the challenges of and opportunities for development in the continent
