The Foreign Relations Of The Federal State:

The Foreign Relations of the Federal State Harold Walter Stoke,1931 *Foreign Relations in Federal Countries* Hans Michelmann,2009-01-28 Foreign Relations in Federal Countries addresses questions such as What constitutional powers do the federal governments and constituent states have to conduct foreign affairs To what degree are relations between orders of government regularized by formal agreement or informal practice What roles do constituent governments have in negotiation and implementation of international treaties The volume offers a comparative perspective on the conduct of foreign relations in twelve federal countries Argentina Australia Austria Belgium Canada Germany India Malaysia South Africa Spain Switzerland and the United States The Foreign Relations of the United States Henry Raymond Mussey,Stephen Duggan,1917 Federal Constitutions and International Relations John Trone,2001 A comprehensive analysis of one of the most politically controversial issues in Australian law the implementation of treaties by the federal government Unique in Australian books on legal issues this rigorous analysis of constitutional law examines relevant cases and legislation from Australia Canada the USA Germany Switzerland Austria Malaysia and India Including a comprehensive list of cases and a full index this book will be of exceptional interest to practitioners teachers and students of constitutional and international law Foreign Relations of the United States United States. Department of State,1955 *The Foreign Relations of the Federal State, by Harold W. Stoke, a Dissertation...* Harold Walter Stoke,1931 *Foreign Relations of the United States* United States. Dept. of State,1956 *Foreign Relations of the United States, 1949: Council of Foreign Ministers; Germany and Austria* ,1976 *General Theory of Law and State* Hans Kelsen,2009 Reprint of the first edition This classic work by the important Austrian jurist is the fullest exposition of his enormously influential pure theory of law which includes a theory of the state It also has an extensive appendix that discusses the pure theory in comparison with the law of nature positivism historical natural law metaphysical dualism and scientific critical philosophy The scope of the work is truly universal It never loses itself in vague generalities or in unconnected fragments of thought On the contrary precision in the formulation of details and rigorous system are characteristic features of the exposition only a mind fully concentrated upon that logical structure can possibly follow Kelsen s penetrating analysis Such a mind will not shrink from the effort necessary for acquainting itself with the pure theory of law in its more general aspects and will then pass over to the theory of the state which ends up with a carefully worked out theory of international law Julius Kraft American Journal of International Law 40 1946 496 *Papers relating to the foreign relations of the United States* ,1864
