The Future Evolution of Man Sri Aurobindo,2016-07-31 The modern world s structures are changing rapidly as new problems arise from advances in science and technology Man s mind is unable to keep pace with the movement he has himself set in motion and the unsolvable problems that confront him yet he aspires to self mastery perfection peace beauty and love What is the meaning of terrestrial life and the present evolutionary crisis This anthology compiled from Sri Aurobindo s The Life Divine The Synthesis of Yoga and The Human Cycle deals with this crucial question tracing the past and pointing to the future of human evolution both individual and social The Phenomenon of Teilhard David H. Lane,1996 New Age writer of the popular Aquarian Conspiracy Marilyn Ferguson observed that many of the leading lights of the New Age movement claim Teilhard as one of the most influential persons in their lives Other influences acknowledged include C G Jung Aldous Huxley Swami Muktananda Thomas Merton Werner Erhard and Maharishi Yogi Indeed of the 185 New Age leaders surveyed Teilhard was the most frequently mentioned of any person who had most influenced their thinking If this is the case then if we are to understand the New Age movement properly it behooves us to take a careful and critical look at Teilhard de Chardin David Lane has done precisely this in a clear well documented and penetrating way In this crucial book David Lane lays bare the philosophical theological and scientific failures of Teilhard s New Age enterprise In a highly documented and insightful scrutiny of Teilhard s cosmic evolution Lane unveils the apostate Christian roots of one of the most important forerunners of the New Age movement This is one of the most significant and serious treatments of the modern roots of the New Age in print **Spiritual Telepathy** Colleen Mauro,2015-04-15 Colleen Mauro founded Intuition A Magazine for the Higher Potential of the Mind to introduce readers to the emerging field of intuition development In her new book she takes readers beyond the intuition basics and introduces them to the next step a more advanced form of intuitive perception called spiritual telepathy This book provides the ancient mind training techniques that will allow you to access the wisdom and guidance of your own soul These techniques once taught in the ancient mystery schools come from a body of

knowledge called the Ageless Wisdom The Wisdom teachings tell us that the soul is our gateway to the higher worlds Through the soul we have access to the universal or divine mind where information on all subjects can be found In the past it s been only the special people our saints shamans and spiritual leaders who have had access to the higher worlds Colleen assures us that we can all gain access to that universal wellspring of inspiration and knowledge
