Rogers, 2009-08-14 Water is a simple but necessary part of life Yet much of the world s population lacks adequate clean water either because of physical scarcity or because they are denied equitable access to water resources Such conditions inevitably breed conflict Water related violence is common in many parts of the world and is generally expected to increase in the years ahead This document is intended to assist water development practitioners civil society peacebuilders and human rights advocates seeking to integrate water and peacebuilding in their work The purpose is twofold to furnish a conceptual framework for understanding problems of scarcity and equity and to provide practical guidance and tools for action The text distills an extensive literature on water conflict and cooperation produced in recent years by researchers and development practitioners Case studies and reflections are included to keep theory grounded in reality **Tarot of the Spirit** Pamela Eakins, 1992-01-01 Illustrated with the Tarot of the Spirit deck painted by Joyce Eakins Centered on the Qabbalistic Tree of Life this symbolism clearly explores the Minor Arcana as a representation of the four components of life spirit emotion intellect and body while it reveals the Major Arcana to be the keys to our emotional response patterns to the symbolic universe in which we live Includes seven monthly meditations individual readings and layouts **The Vanishing Realms** James A.
