The Cat and the Human Imagination Katharine M. Rogers, 2001-03-28 An intelligent amusing and affectionate look at cats in history literature and art The William H. Gass Reader William H. Gass, 2019-10-08 Throughout his career William Gass relentlessly pushed at the boundaries of language celebrating the music of the sentence and the aesthetics of the written word Now the best and most important of his work is collected in one volume There are essays on Plato Hobbes James Joyce Beckett Stein Gaddis Sterne Ford Madox Ford Thomas Mann There are pieces that examine the inner workings of writing There is his masterful short fiction from the perfectly crafted novella In Camera to the mythical In the Heart of the Heart of the Country And there are excerpts from his novels including his magnum opus The Tunnel Taken together this

collection is a peerless essential celebration of literature and an invaluable guide for anyone who wants to understand how great writing works **Fiction Catalog**, 1960 A Balthus Notebook Guy Davenport, 2020-08-11 In his 1989 book on Balthus the storied and controversial artist who worked in Paris throughout the twentieth century Guy Davenport gives one of the most nuanced literary and compelling readings of the work of this master Reading it today highlights the change in perspectives on sexuality and nudity in art in the past thirty years Written over several years in his notebooks Davenport's distinct reflections on Balthus's paintings try to explain why his work is so radical and why it has so often come under scrutiny for its depiction of girls and women Davenport throws the lens back on the viewer and asks is it us or Balthus who reads sexuality into these paintings For Davenport the answer is clear Balthus may indeed show us periods in adolescent development that are uncomfortable to view but the eroticization exists primarily on the part of the viewer Arguing that Balthus's figures are erotic only if we make them so and that their innocence is more present than anything pornographic in them Davenport posits that the paintings hold up a mirror to our own perversities and force us difficultly to confront them He writes The nearer an artist works to the erotic politics of his own culture the more he gets its concerned attention Gauguin's naked Polynesian girls brown and remote escape the scandal of Balthus's although a Martian observer would not see the distinction Davenport's critique helps us understand Balthus in our times something we need more than ever as we crucially confront sexual politics in visual art **A Literary Cat for Every Day of the Year** Tara Richardson, 2025-08-14 A literary treasure trove of poems stories and quotes for cat lovers

Colette's Republic Patricia A. Tilburg, 2009 In France's Third Republic secularism was for its adherents a new faith a civic religion founded on a rabid belief in progress and the Enlightenment conviction that men and women could remake their world And yet with all of its pragmatic smoothing over of the supernatural edges of Catholicism the Third Republic engendered its own fantastical ways of seeing by embracing observation corporeal dynamism and imaginative introspection How these republican ideals and the new national education system of the 1870s and 80s the structure meant to impart these ideals shaped belle poque popular culture is the focus of this book The author reassesses the meaning of secularization and offers a cultural history of this period by way of an interrogation of several fraught episodes which although seemingly disconnected shared an attachment to the potent moral and aesthetic directives of French republicanism a village's battle to secularize its schools a scandalous novel a vaudeville hit featuring a nude celebrity and a craze for female boxing Beginning with the writer and performer Colette 1873 1954 as a point of entry this re-evaluation of belle poque popular culture probes the startling connections between republican values of labor and physical health on the one hand and the cultural innovations of the decades preceding World War I on the other

The Writing Or the Sex?, Or, Why You Don't Have to Read Women's Writing to Know It's No Good Dale Spender, 1989 This text questions the differences between female and male literature Taking the view that the difference lies not within the writing itself but in the response to the writing the author writes that men have been in charge of according value to literature and that they have found the contributions of their own sex immeasurably superior The author presents evidence for a form of literary criticism which takes account of the exploitative practices of men
