Six Trials Of Jesus:

The Six Trials of Jesus John W. Lawrence, 1996-01-01 Each of the six trials of Jesus is explored for both their historical meaning and spiritual application **The Six Trials of Christ** John W. Lawrence, Know Your Bible Hour, 1969* *The Six Trials of Jesus* Robert R. Thibodeau, 2012-04-01 In this book Robert Thibodeau provides a unique insight into the events and trials leading up to the Crucifixion of Jesus. Believers as well as students of leadership will identify with the personalities of the major players and how they attempted to influence others. They did so by using leadership theories still being used today. Readers will discover facts such as: The reason the arrest of Jesus was illegal; the six times Jesus was tried illegally and with no finding of guilt; how Pilate tried three times to have Him released; the real reason Pilate allowed Him to be Crucified; and more. With the intriguing narrative coupled with the numerous references scriptural as well as historical, Robert Thibodeau also provides a brief discussion of the leadership theories studied in classrooms today using the backdrop of the Crucifixion as the ultimate example. This is a book that will hold the interest of believers who are studying the events of the Crucifixion as well as students of modern leadership theories. Once you start reading this book you will find it difficult to put down until finished. **Behold... the Man!** Charles R. Swindoll, 2004-04-05 The truthful Man falsely accused. The innocent Man illegally tried and wrongly convicted. The gentle Man who suffered punishment few could imagine, much less endure. The murdered Man who forgave His own merciless killers. The divine Man who died as a common criminal. The willing Man who gave His life for others. The ordinary Man who was in fact the extraordinary Son of God. The pathway Jesus took to the cross of Calvary is commonly called the Passion. This sorrowful path weaved through soul wrenching prayers and illicit deals made in shadowy darkness. It descended into corrupted courts bereft of justice and circled by prejudiced rulers stripped of power. On this pathway of His passion, Jesus paused for a torturous scourging and plodded on doggedly to a horrific death on a hillside called the Skull. But why? In this incredible, historically accurate account you will come face to face with Jesus, the Man of Sorrows. If you're honest, you'll find the amazing answer to why, and you'll change. When you stop long enough to look, to think, to imagine, and to truly behold the Man, you'll never be the same again. Chuck Swindoll leads us through a detailed examination of the events surrounding Jesus as he follows the winding pathway of his passion to the cross. This story-based investigation of the last week of Jesus's life, from the Last Supper to his death, focuses on Why. And in his Epilogue to this powerful, insightful book, Swindoll clearly explains to the unchurched and non-Christian reader why Jesus was willing to walk this sacrificial path to die; he did it for them. Releasing simultaneously with Mel Gibson's stirring movie *The Passion of The Christ*, Swindoll's book provides Christians an excellent evangelistic follow-up tool to give to their unchurched or non-Christian friends and families who see the film. As Chuck said after a private viewing of the movie, "You'll never be the same again." And *Behold the Man* will help ensure that fact. **No Cost Jesus?** H. Wallace Webster, 2021-07-12 Many people think that while living our daily lives can be difficult, even challenging, following Jesus is actually pretty easy. All we need to do is

say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I m serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It s only when we are willing to pay that cost that we get to know our Savior as he really is and we realize that he s worth so much more **Life of Christ - Teacher's Manual PDF** Dr. Brian J. Bailey,2020-01-10 Inspired by a series of visions given by the Holy Spirit Dr Bailey examines the pre existence birth and early years ministry crucifixion and resurrection of Christ as seen in the four gospels Throughout this work runs the sense of awesome love of the Father in Heaven for His only Son who took upon Himself the form of a man fully obeying the will of His Father even unto the death of the cross You will be encouraged as you see the fervency with which Christ lived so that we might have abundant life by living according to the pattern He set before us in His own life upon this earth What Think Ye Of Christ? Whose Son Is He? Vol 7 James W. Allen,2019-08-10 A chronological study of the four gospels as outlined in Thomas Nelson publisher s Chronological Study Bible **The Darkness and the Dawn** Charles R. Swindoll,2006-01-29 Why did it please God that His Son was brutalized Why does a loving God allow us to hurt so deeply What made Jesus death any different from thousands who died just as He did Darkness covered the earth that day The sun fled From noon until three the darkness of death hovered over the hill where the Son of God was dying As Christians we know the story well the nails in His hands the thorns on His head the gambling soldiers the taunting thieves Charles Swindoll invites us to return with me to those epochal days when our Lord walked into the awful darkness which He did not deserve only to arise into the sunlit dawn of triumph providing us a victory from which we shall never know defeat Go with him and you will find that as only he can Dr Swindoll uncovers new meaning in the Cross and the Resurrection for those who face death and darkness today His fresh perspectives on these core events of faith can help you see beyond the darkness to the new light of dawn *Insights on Luke* Charles R. Gethsemane before His 6 Trials Debbie Dunn, 2024-08-06 Jesus prayed for Strength in the Garden of Gethsemane before His 6 Trials is a book crafted explicitly for youth groups Jesus lovers church leaders Bible study groups and families eager for a deeper understanding of our Lord Jesus Christ The author understanding the unique needs of these groups has filled this book with conceptual color illustrations that will resonate with them and has included a study guide for their convenience This book describes the following points After the Last Supper on Passover Seder Jesus took His Disciples to the Garden of Gethsemane to pray Jesus prayed 3 times Father if you are willing take this cup from me yet not my will but yours be done Jesus requested Peter John and James to watch and pray Three times he found them sleeping instead Jesus was so dreading the upcoming torture that He sweated blood Jesus love for all humankind past present and future exceeded His fear He agreed to suffer unspeakable torture and pain make atonement for all people s sins and allow the Roman soldiers to crucify Him Judas Iscariot came with armed soldiers to capture Jesus He singled Him out by giving Jesus a kiss of betrayal After Jesus midnight arrest He endured six trials early Friday of 30 AD 1 AM Trial 1 of 6 at the residence of the former High Priest Annas 2 AM Trial 2 of 6 at the residence of High Priest Caiaphas As predicted Peter denied Christ 3 times before the cock crowed 3 4 AM Trial 3 of 6 at Sanhedrin Hall The Jewish elders declared Jesus was guilty and deserving of death Out of guilt before hanging himself Judas tried to return the 30 pieces of silver the Sanhedrin paid him 6 AM Pontius Pilate presided over trial 4 of 6C 7 AM King Herod presided over trial 5 of 6 8 AM Pontius Pilate presided over trial 6 of 6 Pilate ordered his Roman soldiers to scourge Jesus He allowed them to torture Jesus brutally and shove a Crown of Thorns into His skull As a Passover tradition the people demanded Pilate release the murderer Barabbas and crucify the guiltless Jesus Pilate washed His hands of this innocent man s blood The author will donate fifty percent 50% of all book sales to Covenant House a charity dedicated to joining the fight to end youth homelessness The Case against Christ George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against

Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus *Routledge A Level Religious Studies* Jon Mayled, Jill Oliphant, Sam Pillay, Matthew Taylor, 2017-09-28 Routledge A Level Religious Studies AS and Year One is an engaging and comprehensive textbook for the new 2016 OCR A Level Religious Studies syllabus Structured closely around the OCR specification this textbook covers philosophy ethics and Christianity in an engaging and student friendly way Each chapter includes An OCR specification checklist to clearly illustrate which topics from the specification are covered in each chapter Explanations of key terminology Review questions thought points and activities to test understanding An overview of key scholars and theories Chapter summaries With a section dedicated to preparing for assessment Routledge A Level Religious Studies AS and Year One provides students with all the skills they need to succeed This book comes complete with diagrams and tables lively illustrations a comprehensive glossary and full bibliography The companion website hosts a wealth of further resources to enhance the learning experience

The Modern Student's Life of Christ Philip Vollmer, 1912 *Jesus, the One and Only* Beth Moore, 2013-03 Bestselling author Moore's thoughtful study of Jesus based on the book of Luke gives readers a fresh and in depth look and God's one and only son **The Trial of Christ from Legal and Scriptural Viewpoint** David K. Breed, 2020-09-28 *The Execution of Jesus the Christ* Mark J. Kubala MD FAANS FACS, 2017-02-03 For seventy years we have been taught that Jesus died on the cross from asphyxiation strangulation because in the hanging position he was unable to exhale This theory is not based on sound science This book explains the medical cause of Jesus's death and why even Pilate was surprised how soon Jesus had died The dramatic changes that took place in Jesus's body from the Last Supper until death are described in layman's terms To add to the injustice Jesus's condemnation to death was illegal under the Jewish law of his time a fact supported by a review of the political and religious dynamics Growing Deep in the Christian Life Charles R. Swindoll, 1995-03-21 Takes theology out of the ivory tower and enables you to apply it to where you live every day Back cover The Revelation of Jesus Christ David Crenshaw, 2020-08-10 While many theological commentaries have been written on the book of Revelation this one has been written as an easy to understand commentary for those without a seminary education It is not an in depth theological treatise for the use of trained pastors The author is a pastor who has spent more than twenty five years studying and teaching the book of the Revelation in various conservative churches It is unique in that it addresses the issues of the book of Revelation from what is known as the realized millennial or what Dr Jay E Adams described as the orthodox preterist position This position affirms that the events of Revelation are past preterist with the exception of the events in the last two chapters The main attraction to most readers will be the fact it does not use footnotes or endnotes and is therefore much easier to read and understand It will also be attractive because it biblically addresses the erroneous view present in much of the modern church that the events of the Revelation are still future to our time Additionally the book establishes how the

events described in the Revelation are related to Old Testament practices and prophecies and it demonstrates the faithfulness of God in keeping His promises to His people **Church Review and Ecclesiastical Register** ,1889
