Bitter Bronx Jerome Charyn,2015-05-21 Longlisted for the Frank O Connor International Short Story Award Brooklyn is dead Long live the Bronx In Bitter Bronx Jerome Charyn returns to his roots and leads the literary renaissance of an oft overlooked borough in this surprising new collection In Bitter Bronx one of our most gifted and original novelists depicts a world before and after modern urban renewal destroyed the gritty sanctity of a land made famous by Ruth Gehrig and Joltin Joe Bitter Bronx is suffused with the texture and nostalgia of a lost time and place combining a keen eye for detail with Jerome Charyn s lived experience These stories are informed by a childhood growing up near that middle class mecca the Grand Concourse falling in love with three voluptuous librarians at a public library in the Lower Depths of the South Bronx and eating at Mafia owned restaurants along Arthur Avenue s restaurant row amid a land of deprivation where fathers trundled home with a monumental sadness on their shoulders In Lorelei a lonely hearts grifter returns home and finds his childhood sweetheart still living in the same apartment house on the Concourse in Archy and Mehitabel a high school romance blossoms around a newspaper comic strip in Major Leaguer a former New York Yankee confronts both a gang of drug dealers and the wreckage that Robert Moses wrought in his old neighborhood and in three

Ping-Pong Diplomacy Nicholas Griffin, 2014-01-02 It was one of the most significant developments of the post war era China finally abandoning its close relationship with the Soviet Union to begin detente with the USA Astonishingly the man who helped make it happen was a British aristocrat Ivor Montagu a Soviet spy who knew Stalin and dined with Trotsky Even more remarkably the means to this rapprochement was table tennis a sport loved by both Chairman Mao and Montagu For years Montagu had lived a dual life working to spread communism and also table tennis around the world Surprisingly the two strands of his career would come together in an event of global significance Nicholas Griffin weaves a compelling story to reveal the background to the famous occasion in 1971 when the USA's Glenn Cowan a 19 year old hippie befriended China's world champion Zhuang Zedong who was imprisoned during the Cultural Revolution Within days the Americans would be playing the Chinese in front of 18 000 fans in Beijing with the whole world watching It was the beginning of a thaw in Sino US relations that forced the Soviets into a crippling arms race that acted as a catalyst to pressuring them into errors that would draw the Cold War to an end Sometimes sport truly can have the biggest consequences
