Skeletons in the Closet 93 939 words The inheritance of an old Civil War plantation home in Georgia was quite inviting to Glenda and Linda Hemingway especially when it involved a considerable amount of gold Everything was fine until they found a literal skeleton in one of the closets a pentagram painted on the basement floor and the fact that their dog kept bringing in human bones that she had dug up from the yard *Inspiration and Motivation (I Am)* Dana Sheree Coe, 2012-05-14

journey to deal with the skeletons in her closet It is an inspirational story of God's awesome love and incredible power to deliver and restore lives Against All Odds is a powerful ministerial tool embedded with nuggets of wisdom that address core life issues equipping one with sound biblical guidelines on how to triumph over the ghosts of yester years **The Making of the Modern Body** Catherine Gallagher, Thomas Laqueur, 1987-02-06 Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimilar material cultures subjected to various technologies and means of control and incorporated into different rhythms of production and consumption pleasure and pain The eight articles in this volume support supplement and explore the significance of these insights They belong to a new historical endeavor that derives partly from the crossing of historical with anthropological investigations partly from social historians deepening interest in culture partly from the thematization of the body in modern philosophy especially phenomenology and partly from the emphasis on gender sexuality and women's history that large numbers of feminist scholars have brought to all disciplines **Baltimore Monday: Celebrating Life Beyond Sexual Abuse** Carlos Michael Padilla, Who Am I? Jerry Bridges, 2012-03-15 Best selling author Jerry Bridges The Pursuit of Holiness The Discipline of Grace The Bookends of the Christian Life and many other books asks perhaps the most fundamental question of existence Who am I He then turns to Scripture to unpack for the Christian eight clear interlocking illuminating answers I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct honest presentation of biblical truth and all new material from Jerry Bridges Who Am I demonstrates for believers that they can and should rightfully claim for themselves an unshakeable lifelong personal foundation of confidence in one thing and one thing alone the gospel of a victorious resurrected Savior **Acceptance and Commitment Therapy** Dawn Johnson, Richard Bennett, 2023-08-29 Acceptance and Commitment Therapy ACT is an evidence based contemporary psychological approach to behaviour change that promotes the idea of people living more in line with their values whilst providing them with practical strategies for managing adversity In this book Dawn Johnson and Richard Bennett have collated fifty of the questions that have most frequently been put to them whilst delivering ACT training and supervision to a wide range of therapists and other helping professionals This book is the first of its kind to provide concise answers to a range of philosophical theoretical conceptual and practical questions raised by practitioners who are learning ACT It will be of interest to psychotherapists clinical psychologists counsellors psychiatrists and a broad range of other mental health practitioners and trainees It serves as a useful resource for those new to the practice of ACT and for more experienced practitioners who might want to consider these questions themselves *Queer Nations* Jarrod Hayes, 2000-04 The Maghreb Morocco Algeria Tunisia has been inhabited for millennia by a heterogeneous populace However in the wake of World War II when independence movements began to gain momentum in these French colonies the

dominant national discourses attempted to define national identities by exclusion One rallying cry from the 1930s was Islam is my religion Arabic is my language Algeria is my fatherland In this incisive postcolonial study Jarrod Hayes uses literary analysis to examine how Francophone novelists from the Maghreb engaged in a diametric nation building project Their works imagined a diverse nation peopled by those who were excluded by the dominant political discourses especially those who did not conform to traditional sexual norms By incorporating representations of marginal sexualities sexual dissidence and gender insubordination Maghrebian novelists imagined an anticolonial struggle that would result in sexual liberation and envisioned nations that could be defined and developed inclusively
