Sketches Of The Covenant:

The Soul of The Soldier: Sketches From The Western Battle-Front Thomas Tiplady, 2021-01-01 The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre's privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Preface

Historical Sketch, Articles of Faith and Covenant, and Regulations of the First Congregational Church, Keene, N.H. First Congregational Church (Keene, N.H.), 1877 **The Tent and the Altar: Or, Sketches from Patriarchal Life**

John CUMMING (D.D., Minister of the Scottish National Church, Crown Court.), 1854 **Sermons and Sketches of Sermons by the Rev. Richard Watson** Richard Watson, 2025-08-04 Reprint of the original first published in 1840 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Sketches of the Covenanters**

J. C. McFeeters, 2022-09-16 DigiCat Publishing presents to you this special edition of *Sketches of the Covenanters* by J C McFeeters DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *Historical Sketch, Articles of Faith, and Covenants, of the Original Congregational Church*, Original Congregational Church (Wrentham, Mass.), 1845 *One Hundred Skeletons and Sketches of Sermons. By Wesleyan Ministers* One hundred skeletons, 1846

Sermons and Sketches of Sermons Richard Watson, 1836 *A Sketch of the Life of Okah Tubbee* Okah Tubbee, Laah Ceil Manatoi Elaah Tubbee, 1848 **The Bible and Art** Janet Mellor, 2016-02-29 This book explores the revelation of God's love in the mystery of the covenant and shows how this potent theological concept has inspired artists through the ages to reflect on the nature of divine interaction with mankind It traces the development of the covenantal relationship between God and the Jewish people as given in the Hebrew Scriptures and examines the Christian concept of the New Covenant portrayed by Gospel writers and those of the early Church in the New Testament Alongside this the book matches a variety of artistic work in which these texts are made visible The reference to over 300 works of art is a mere sample and will inspire readers to research this hugely rich resource both for their own interest and for use in teaching about the Christian faith and its important Jewish roots Learning in the contemporary world often lifts the emphasis from mere words to illustration and this book shows clearly that throughout history the Christian world has sought to use art to aid understanding of biblical

texts Art continues to be used hand in hand with the Scriptures in present day classrooms as well as in group and individual study This volume provides a basis for the exploration of God s love in his covenantal relationship with the People of God ancient and modern and will serve to inspire an investigation of the huge range of artistic interpretation which is available through twenty first century technology

Theological Sketch-book Or Skeletons of Sermons; Carefully Arranged in Systematic Order So as to Constitute a Complete Body of Divinity ,1844 **Letters, and Sketches of Sermons** John Murray,1813 **A Sketch of the Christian's Catechism** William Ames,2017-08-20 Ames s method in this book is not an analysis of the Catechism itself Rather he chooses a particular text of Scripture that supports the main thoughts for a given Lord s Day While the exposition is directly from the Bible Ames s doctrinal conclusions interact with the corresponding Questions and Answers of the Heidelberg Catechism Joel R Beeke and Todd M Rester s introduction provides valuable background on Ames and his work Rester s fresh translation from the Latin opens several avenues of interest for modern day English readers Historians of 16th and 17th century thought will value the critical English translation of a much neglected text and the fact that it demonstrates the interaction between English Puritanism and the Dutch Further Reformation Reformed pastors will also take interest in this as it provides another important resource on a classic doctrinal standard

Series Description A Sketch of the Christian s Catechism is the first volume of the Classic Reformed Theology series edited by Dr R Scott Clark This series seeks to produce and provide critical English translations of some of the more important but generally neglected texts of the orthodox period This is an important project that promises to make available in good editions and translations a series of eminent works of Reformed theology from the era of orthodoxy These volumes will offer students of the Reformed tradition an invaluable resource and will hopefully stimulate interest in the carefully defined and highly refined thought of an era that was formative of the Reformed faith and that assured its intellectual and spiritual vitality for later generations Richard A Muller Calvin Theological Seminary

A General Sketch of the New Testament in the Light of Christ and the Church Witness Lee,1999 **Icons of American Protestantism** David Morgan,1996-01-01 Although American Protestants often claim that they are opposed to the use of devotional images in their religious life they in fact draw on a vast body of religious icons to disseminate confessional views to teach and to celebrate birthdays baptisms confirmations and sacred holidays This fascinating book focuses on the production marketing and reception of one such set of religious illustrations the art of Warner Sallman 1892 1968 whose 1940 Head of Christ has been reproduced an estimated five hundred million times Five scholars three art historians a church historian and a historian of material culture investigate various aspects of Sallman s career and art in the process revealing much about the role of imagery in the everyday devotional life of American Protestants since the 1940s The chapters examine Sallman s work in terms of the visual sources media and forms of use that shaped its making its mass production marketing and distribution by publishers and vendors and the commercial nature of Sallman s training and his work as an illustrator Other chapters explore the reception of his

religious imagery among those who admired it and saw in it a vision of the world as they would have it exist the religious and theological context of conservative American Protestantism in which the imagery flourished and its critical reception among liberal Protestant intelligentsia who despised Sallman s work and what it represented in popular Christianity By placing Sallman s art in theological ecclesiastical and aesthetic perspective the book sheds light on the evolving shape of twentieth century American evangelicalism and its influence on modern American culture *Sermons ... With a brief biographical sketch by Rev. G. Foot* Joseph I. FOOT,1841 **Nuns and Reform Art in Early Modern Venice** Benjamin Paul,2017-07-05 Decorated by Giovanni Buonconsiglio Jacopo Tintoretto Palma il Giovane Sebastiano Ricci and Giambattista Tiepolo the church of the former Benedictine female monastery Santi Cosma e Damiano occupies an outstanding position in Venice The author of this study argues that from its foundation in 1481 to its dissolution in 1805 Santi Cosma e Damiano was a reform convent and that its nuns employed art and architecture as a means to actively express their specific religious concerns While on the one hand focusing on the basis of extensive archival research on the reconstruction of the history and construction of the convent this study s larger concern is with the religious reform movement its ideas concerning art and architecture and with the convent as a space for female self realization in early modern Venice **Sermons ... [Edited] with a biographical sketch of the Author, containing extracts from his papers. By S. A. Clark** Albert William DUY,1846 The Hebrews at Home; Or an Historical Sketch of the Life, Manners, Customs and Ceremonies of the Ancient Hebrews Thomas TALBOT (Hon.),1874 Sketch Notes Raymond Broad,2015-09-10 This book is a follow on from the book *The Lost will and Testament of Jesus Christ* which book must be read first or this one will be difficult to follow It is a collection of papers written over several years enlarging on several of the subjects introduced in *The Lost Will* It also includes some material from my website proving there is a God and creation as well as papers on controversial themes which need to be left open for discussion It s preferred readership would be those of a mature faith who know Christianity well enough to still hold their own opinions without resentment to those who don t Reading the index will reveal the wide range of subjects referred to
