Bridges,2006-06-07 The Cuchara Chronicles is a work of fiction set in and around the very real mountain village of Cuchara Colorado Cuchara is nestled in the magnificent Sangre de Cristo mountains on Highway 12 the Highway of Legends between LaVeta and Trinidad It is the story of a journey a journey that requires the main characters Lane Curry and his son Steve to face the family past before they can find their future That past is ripe with tragedy and mystery Lane lost his wife in a tragic accident Both Steve and Lane are struggling in their separate ways to deal with the loss of the woman who was the center of their lives Neither of them is able to share his feelings hence they both suffer in silence It takes a life and death search and rescue mission deep in the high country to shatter the silence but the price proves to be very high Lane s world is turned upside down when he meets Mary a divorced artist who is also running from her past They struggle with their emotions as their mutual attraction grows When Lane discovers that his grandfather Sven Curry mysteriously disappeared almost 100 years ago and possible suffered a violent death he embarks on a mission of discovery The mystery becomes deeper and darker when Lane uncovers a long lost letter written to Sven just before his disappearance A simple inquiry about the letter triggers a chain of events that threatens to tear the Curry s future apart With the help of a private investigator Lane teeters on the precipice of breaking the law as they uncover the family s secret Steve s imagination is fired by the stories about Sven s disappearance and the talk of lost gold He and his big dog Sampson hike to Chaparral Falls Sven s last reported location There Steve and Sampson encounter a snarling horrific nightmare They may have found the key to Sven s mystery but will it be worth the price **Ski** ,1980-09
