Skunk Scout:

Skunk Scout Laurence Yep, 2005-09-01 Teddy's idea of a good vacation is a triple feature at the movie theater. So when his uncle invites him to go camping, he is more than a little reluctant. To make matters worse, his little brother Bobby is coming too. Teddy practices his camping skills in his Chinatown apartment and watches *Wilderness Scout* for tips, but nothing can prepare him for his meeting with Mother Nature. Soon, Teddy, Bobby, and Uncle Curtis find themselves in the woods sleeping on rocks and battling raccoons, mosquitoes, and poison oak. Through it all, Teddy is determined to prove he is just as smart as his little brother. But the worst is yet to come. A hike leaves them lost in the woods, and it's a skunk coming down the path. *Skunk Scout* Laurence Yep, 2005-09-01 Teddy's idea of a good vacation is a triple feature at the movies. Reluctantly, the ill-prepared Teddy agrees to go on a camping trip where he and his younger brother find themselves being followed by a skunk. Skunk Alyce L. Miller, 2015-11-15 Solitary nocturnal creatures, skunks generally go about their business unnoticed. But then there's that thing they do, and oh boy, when they do it, no one can ignore them. But there's far more to skunks than their stench, and with this beautifully illustrated entry in Reaktion's Animal series, Alyce Miller gives these furry scavengers their due. More than being unappreciated, skunks, Miller reveals, have a long history of persecution, killed off as smelly nuisances; they have also been hunted for their fur, and yes, their unique musk, which has found a perhaps unexpected use in perfume. Moving from nature to culture, Miller delves into the long line of skunks that have played parts in literature, film, and folklore, from the antics of Pepe Le Pew to the role of skunks in Native American spiritual beliefs. As growing urban wildlife populations bring humans and skunks ever closer, Miller's book will help us understand and appreciate these beautiful, intriguing, and wholly distinct animals. The Adventures of Gertie and Friends Lisa Askew, 2024-10-28 Gertie the Sussex chicken has always been curious about what lies beyond her farmyard. When she spots some colorful butterflies fluttering gracefully in the distance, she follows them past wheat fields, brooks, and trees until it grows dark, and she realizes the farm is nowhere in sight. Gertie decides to see where her feet will take her. What she finds is Willow, a jackrabbit who loves exploring as much as she does. As they travel together through the tough Texas terrain, they make more new friends, each with unique strengths that help them overcome the dangers they face. But their greatest adventure is yet to come: the search for a place they can all call home. **Boys' Life**, 1969-11 *Boys' Life* is the official youth magazine for the Boy Scouts of America.
