

the sky

he asked of me why it was raining
he asked was it tears from the sky
and I replied yes, that this was the case
that even the heavens can cry

he asked of me what was the thunder
he said it was hurting his ears
and I explained sometimes, even the clouds
need to scream so that somebody hears

he asked of me what was the wind and why
was it whirling and swirling around
so I told him that even the sky takes deep breaths
when it's trying to calm itself down

but often we keep our tears secret
and we swallow our own cries for help
and we think that we're weak to be catching our breath
so we don't let our struggles be felt

and yet if the clouds never emptied
and the sky never screamed through the storm
it would sit growing darker and darker until
it was simply no use to us all

so throw all your fears to the wind dear
and toss all your tears to the clouds
and you will discover the infinite power
the heavens hold over the ground

see it's normal and natural to struggle
and it's healthy and human to cry
and if anyone questions your power my darling
just tell them it's matched by the sky
