agoraphobia as she forms an unexpected connection with the host of her favorite college radio show Klara Rodriguez has barely left her house in eight agonizing months Imprisoned by agoraphobia and anxiety she has seen her world shrink to the walls of her bedroom where every other night one voice pierces through her isolation It belongs to Kang the soothing thoughtful host of her favorite late night college radio program Then an unexpected text message changes everything The voice that has been her invisible companion suddenly has a life beyond the airwaves As their connection deepens it becomes the fragile thread Klara clings to while fighting to reclaim pieces of herself Can you fall in love with someone you've never seen Can a voice become your anchor in the storm And is Klara strong enough to face not only the outside world but the person she loves In a moment of desperate courage Klara enrolls in community college But she realizes the universe has a sense of humor when she discovers that Kang's schedule overlaps with her only in person class Now Klara's greatest battle isn't just against the pull of her bedroom walls It's facing the person she might already love Aching raw and profoundly hopeful Follow My Voice reminds us that sometimes the most important voice to follow is the one we find within ourselves even when it's the hardest one to hear Though it doesn't hurt if you find love and friendship along the way *McClure's Magazine* ,1923
