Stolen Contaminated Poems:

Stolen & Contaminated Poems James Laughlin, 1985 **Poems, New and Selected** James Laughlin, 1998 In this collection of poems spanning a period of more than 60 years James Laughlin reveals himself as a master of the well placed word that penetrates the human heart The collection of over 225 poems will be a sea of treasure for both new Laughlin readers and those already familiar with his talent *James Laughlin - Stolen & Contaminated Poems - MCMLXXXV*. Turkey Press, 1985 *"Literchoor Is My Beat"* Ian S. MacNiven, 2014-11-18 A biography thoughtful and playful of the man who founded New Directions and transformed American publishing James Laughlin poet publisher world class skier was the man behind some of the most daring revolutionary works in verse and prose of the twentieth century As the founder of New Directions he published Ezra Pound's *The Cantos* and William Carlos Williams's *Paterson* he brought Hermann Hesse and Jorge Luis Borges to an American audience Throughout his life this tall charismatic intellectual athlete and entrepreneur preferred to stay hidden But no longer in *Literchoor Is My Beat* A Life of James Laughlin Publisher of New Directions Ian S MacNiven has given us a sensitive and revealing portrait of this visionary and the understory of the last century of American letters Laughlin or J as MacNiven calls him emerges as an impressive and complex figure energetic idealistic and hardworking but also plagued by doubts not about his ability to identify and nurture talent but about his own worth as a writer Haunted by his father's struggles with bipolar disorder J threw himself into a flurry of activity pulling together the first New Directions anthology before he'd graduated from Harvard and purchasing and managing a ski resort in Utah MacNiven's portrait is comprehensive and vital spiced with Ezra Pound's eccentric letters J's romantic foibles and anecdotes from a seat of your pants era of publishing now gone by A story about the struggle to publish only the best it is itself an example of literary biography at its finest **Guy Davenport and James Laughlin** Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature Jacket *Kenneth Rexroth and James Laughlin* Kenneth Rexroth, 1991 Frankly H Miller was defended by me only because he spoke against the War and I think that was the main reason for his fame Now I do not believe what with Palmistry Chirography Phrenology and the Great Cryptogram he will survive the retooling period I honestly think he is the most insufferable snob I have ever met but all reformed pandhandlers are like that in a letter from Kenneth Rexroth to James Laughlin *Making Artist Books Today* Wulf D. von Lucius, Gunnar A. Kaldewey, 1998 No detailed description available for *Making Artist Books Today* *Thomas Merton and James Laughlin* Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky monastery Thomas Merton

struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin **The Luck of Friendship** James Laughlin,Tennessee Williams,2018-03-13 The chronicle of Tennessee Williams and James Laughlin s unlikely yet enduring literary and personal relationship In December 1942 two guests at a Lincoln Kirstein mixer bonded over their shared love of Hart Crane s poetry One of them was James Laughlin the founder of a small publishing company called New Directions which he had begun only seven years earlier as a sophomore at Harvard The other was a young playwright named Thomas Lanier Williams or Tennessee as he had just started to call himself A little more than a week after that first encounter Tennessee sent a letter to Jay as he always addressed Laughlin in writing expressing a desire to get together for an informal discussion of some of Tennessee s poetry I promise you it would be extremely simple he wrote and we would inevitably part on good terms even if you advised me to devote myself exclusively to the theatre for the rest of my life So began a deep friendship that would last for forty one years through critical acclaim and rejection commercial success and failure manic highs bouts of depression and serious and not so serious liaisons Williams called Laughlin his literary conscience and New Directions serves to this day as Williams s publisher not only for The Glass Menagerie and his other celebrated plays but for his highly acclaimed novels short stories and volumes of poetry as well Their story provides a window into the literary history of the mid twentieth century and reveals the struggles of a great artist supported in his endeavors by the publisher he considered a true friend **New Directions 48** James Laughlin,Peter Glassgold,Elizabeth Harper,1984-11 Since 1936 the New Directions in Prose and Poetry anthologies have served as vehicles for the presentation of new and variant trends in world literature
