**Taste of Tombstone** Sherry A. Monahan, 2008 In this lively study Monahan offers a brief history of Tombstone and the evolution of its increasingly sophisticated dining scene She includes 140 recipes from the 1880s most from Tombstone restaurants so that readers may experience their own taste of Tombstone University of New Mexico Press **Taste of Tombstone** Sherry Monahan, 1997-11-01 **Tombstone** Tom Clavin, 2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice T J Stiles The New York Times With a former newsman's nose for the truth Clavin has sifted the facts myths and lies to produce what might be as accurate an account as we will ever get of the old West's most famous feud Associated Press The true story of the Earp brothers Doc Holliday and the famous Battle at the OK Corral by the New York Times bestselling author of Dodge City and Wild Bill On the afternoon of October 26 1881 eight men clashed in what would be known as the most famous shootout in American frontier history Thirty bullets were exchanged in thirty seconds killing three men and wounding three others The fight sprang forth from a tense hot summer Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers The Mexican government built forts along the border to try to thwart American outlaws while Arizona citizens became increasingly agitated Rustlers who became known as the cow boys began to kill each other as well as innocent citizens That October tensions boiled over with Ike and Billy Clanton Tom and Frank McLaury and Billy Claiborne confronting the Tombstone marshal Virgil Earp and the suddenly deputized Wyatt and Morgan Earp and shotgun toting Doc Holliday Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous Tombstone also digs deep into the vendetta ride that followed the tragic gunfight when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo Curly Bill Brocius and other cowboys who had cowardly gunned down his brothers That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town Tombstone's Treasure Sherry Monahan, 2007-03-16 The silver rush in Tombstone Arizona created one of the most sophisticated towns in the American West complete with lavish saloons gambling ice cream parlors and a swimming pool **The Last Gunfight** Jeff Guinn, 2012-05-15 Originally published New York Simon Schuster 2011 *Arizona Oddities* Marshall Trimble, 2019-05-20 Arizona has stories as peculiar as its stunning landscapes The Lost Dutchman's rumored cache of gold sparked a legendary feud Kidnapping victim Larcena Pennington Page survived two weeks alone in the wilderness and her first request upon rescue was for a chew of tobacco Discover how the town of Why got its name how the government built a lake that needed mowing and how wild camels ended up in North America Author Marshall Trimble unearths these and other amusing anomalies outstanding obscurities and compelling curiosities in the state's history **Frontier Fare** Sherry Monahan, 2014-11-07 Drawn from the author's ongoing column in TrueWest Magazine this cookbook combines myths nostalgia and legends with usable delicious and fun recipes for

years later Other Irish would come to the fore in business science engineering and the arts while some were destined for infamy as mobsters and gunslingers Historian Turtle Bunbury explores the lives of these men and women great and otherwise whose pioneering journeys beyond the Irish shore have played a profound role in world history and have left their indelible mark far beyond Ireland Throughout The Irish Diaspora Bunbury takes these overlooked events and characters and weaves them into an entertaining and often surprising history of the Irish abroad **The Journal of Arizona History** ,2017
