Hopkins, 2008-04-18 The 2008 Supplement generally covers developments since the book was published which basically means developments during 2007 such as The new Form 990 Despite its size complexity and overreaching this thing is a work of art For large organizations proper preparation of this return is going to be a mighty feat Much new law is embedded in this form In the context of nonprofit law there has never been anything like this new Form 990 Other sets of rules are flowing such as those pertaining to tax exempt organizations and prohibited tax shelter transactions. The biggest

misstep by the agency in 2007 emerged nonetheless in the form of the draft of the IRS good governance principles an unhelpful poorly written sometimes wacky document that should never have been issued if only because the Division has more important things to do and perhaps may be allowed a quiet demise Private letter rulings some of them quite interesting continue to tumble out of the agency The IRS has made great progress in reducing its inventory of pending applications for recognition of exemption IRS audits of exempt organizations along with a host of compliance check projects are on the rise Back to the IRS there are two momentous developments in the making One is the forthcoming research and compliance initiative involving tax exempt colleges and universities with emphasis on these institutions adherence to the unrelated business rules and operation of endowment funds The other is the IRS growing reliance on technology in the exempt organizations area such as development of an electronic determinations case processing and tracking system the TE GE Determination System TEDS the emerging Cyber Assistant to guide preparers of applications for recognition of exemption and Internet based workshops and educational material Starting and Managing a Nonprofit Organization Bruce R. Hopkins, 2009-02-09 Nonprofits must comply with stringent federal and state regulations due to their special tax exempt status the government's ultimate threat is revocation of a nonprofit's tax exempt status which usually means the nonprofit's demise Written in plain English not legalese this book provides essential guidance for those interested in starting new nonprofits as well as valuable advice for directors of established organizations. This easy to read resource contains essential information on virtually every legal aspect of starting and operating a nonprofit organization from receiving and maintaining tax exempt status to tips for successful management practices The Fifth Edition includes updates to areas that have changed dramatically in the wake of new law These areas include corporate governance principles compensation issues private benefit doctrine political campaign activity the new form 990 endowment funds and IRS audits activity Finance Essentials e-book set Bruce R.
