Tax Loopholes for the Little Guy Jim Donaldson,1976 *Confessions of a Radical Tax Protestor* Larry R. Williams,2011-03-10 Larry Williams has never backed away from authority especially government authority the U S or any other Including two battles all the way to the Supreme Court Libertarian trader would be politician and Indiana Jones like adventurer Larry has gone wherever his spirit moved him and bucked state constraints whenever he found them stifling Throughout his life his rebellious spirit served him well huge successes in trading to adventures right out of a Graham Greene novel in Saudi Arabia two boisterous runs for the U S Senate a famous actress daughter entangled with an even more famous actor a new grandchild the life well lived that would be the envy of most people Along the way Larry became a tax protester in the spirit of John Cheek and Irwin Schiff However Larry was far too free a spirit to give up his freedom for his beliefs and figured that he was smarter than the zealot tax protesters now making license plates particularly after meeting a man with an actual and real document from the IRS acknowledging the legitimacy of a certain kind of trust But things are not always what they seem Annoying letters from the IRS called for hiring an attorney to work things out which he thought based on the bills he was paying was in the works Enjoying a pleasant flight in first class from South Africa to Australia Larry at the age of 64 with a new granddaughter and 5 children settled in successful lives of their own reflected that life was pretty sweet Then his plane landed in Australia and he was summarily arrested and jailed and taken to prison There began a nearly 4 year fight for his freedom at a huge financial cost worse was the toll it took on his psyche This is the story of Larry s war with the IRS and U S Dept of Treasury and inside view of the world of tax protesters Larry explains why the tax protest movement exists where it is dead wrong and why it will most often lead followers to prison He also weighs in on what can be done to correct the unfairness of the tax codes and why tax rates are so astronomical that the fair share idea should be applied to what is the fair share of your income the government is entitled to **Congressional Record** United States. Crier,2003-09-23 THE EMMY AWARD WINNING HOST OF COURT TV S CATHERINE CRIER LIVE DESCRIBES AN AMERICAN LEGAL SYSTEM DANGEROUSLY OUT OF CONTROL AND FINDS THE LAWYERS GUILTY AS CHARGED As a child Catherine Crier was enchanted by film portrayals of crusading lawyers like Clarence Darrow and Atticus Finch As a district attorney private lawyer and judge herself she saw firsthand how the U S justice system worked and didn't One of the most respected legal journalists and commentators today she now confronts a profoundly unfair legal system that produces results and profits for the few and paralysis frustration and injustice for the many Alexis de Tocqueville's dire prediction in Democracy in America has come true We Americans have ceded our responsibility as citizens to resolve the problems of society to legal authorities and with it our democratic freedoms The Case Against Lawyers is both an angry indictment and an eloquent plea for a return to common sense It decries a system of laws so complex even the enforcers such as the IRS cannot understand them It unmasks a litigation crazed society where billion dollar judgments mostly line the pockets of personal injury lawyers It deplores the stupidity of a system of liability that leads to such results as a label on a stroller that warns Remove child before folding It indicts a criminal justice system that puts minor drug offenders away for life yet allows celebrity murderers to walk free And it excoriates the sheer corruption of the iron triangle of lawyers bureaucrats and politicians who profit mightily from all this inefficiency injustice and abuse The Case Against Lawyers will make readers hopping mad And it will make them realize that the only response can be to demand change Now

The Governor of Goat Hill Eddie Curran,2009-12-31 I think this will make Watergate look like child's play Former Alabama Gov Don Siegelman on Karl Rove's alleged involvement in his prosecution Was Don Siegelman the victim of a Republican conspiracy led by Karl Rove or was he perhaps the most corrupt governor in Alabama history On February 24 2008 60 Minutes delivered a bombshell claims that President Bush's political advisor Karl Rove had assigned an Alabama woman to tail Governor Don Siegelman and take photos of him having extramarital sex The piece also presented an open and shut case that powerful Republicans including Rove and Bob Riley Siegelman's successor as Alabama's governor had somehow ordered the Justice Department to prosecute Siegelman In this book Eddie Curran the investigative reporter whose stories initiated the criminal investigation delivers a far different portrait of the one time golden boy of Alabama Democratic politics Curran leads readers on a first person account of his discoveries including Siegelman's use of his office to collect more than 13 million in legal fees while governor the sale of his home through a straw man for twice its value and a host of scandals involving the likes of Waste Management Inc and Richard Scrushy the deeply corrupt HealthSouth Corp chairman prosecuted along with Siegelman The Governor of Goat Hill is both a scathing portrayal of a New South governor gone bad and an indictment of some of the top names in American journalism who bought into a bogus conspiracy for no reason other than it led to Karl Rove This is a book you will either love or hate One thing you definitely won't find it to be is boring If you believe Don Siegelman got shafted by over zealous intensely partisan prosecutors you will find the case presented against him in great

detail making it easier for you to contradict with opposing evidence I consider Don Siegelman a personal friend and this book has not changed my mind He is a man of great ability and it will be up to the reader to decide if he abused the trust that was placed in him or was the victim of a witch hunt orchestrated at the highest levels of American government Bill Stewart Professor Emeritus of Political Science University of Alabama *First Concurrent Resolution on the Budget--fiscal Year 1985: Economics* United States.
