Taylor Five:

Taylor Five Ann Halam, 2004-03-09 A gripping deeply moving adventure raises startling questions about what it means to be human Taylor Walker seems like any ordinary 14 year old Ordinary if you overlook the fact that she lives on the island of Borneo on a primate reserve run by her parents and knows how to survive in the jungle Obviously Tay isn't just like everyone else But she is like one other person She's exactly like one other person Tay is a clone one of only five in the world and her clone mother is Pam Taylor a brilliant scientist When rebels attack the reserve Tay escapes with her younger brother and Uncle an exceptionally intelligent orangutan As they flee through the jungle Tay must look within to find her strength Pam's DNA tempered by Taylor's extraordinary life And she looks to Uncle for guidance for Tay knows that the uncanny bond between Uncle and herself is the key to their survival No Human Involved Cheryl L. Neely, 2025-01-21 An urgent examination of the invisibility of Black women and girls as victims of targeted killings and the lack of police intervention and media coverage When Black women and girls are targeted and murdered their cases are often categorized by police officers as N H I No Humans Involved Dehumanized and invisible to the public eye they are rarely seen as victims In the United States Black women are killed at a higher rate than any other group of women but their victimhood is not covered by the media and their cases do not receive an adequate level of urgency Utilizing intensive historical research of cases in cities such as Boston Cleveland Chicago Detroit and Los Angeles Cheryl Neely calls attention to serial cases of Black female murder victims and a lack of police action Neely approaches each case and story with detailed care Instead of focusing solely on the killings and the murderers she highlights the lives of the women and girls and their communities that never stopped fighting for justice With media neglect and police indifference Neely argues that because law enforcement is less likely to conduct serious investigations into the disappearances and homicides of Black women they are particularly vulnerable to become victims Diving deep into the unseen and unheard Neely uses personal interviews court records media reports and analytical data to understand how and why Black women are disproportionately more likely to die from homicide in comparison to their white counterparts Sounding an urgent alarm No Human Involved contends that it is time for Black women's lives to matter not only to their families and communities but especially to those commissioned to protect them Catalogue Ohio State University, 1897 Clutch & Taylor: The Wedding Tess Oliver, 2017-01-09 From the New York Times USA Today bestselling Custom Culture series Tess Oliver brings us Clutch Taylor The Wedding The characters you've grown to know and love throughout the last five books are back Join Nix Clutch Dray Rett and all the girls on January 9th as Clutch and Taylor prepare to tie the knot A full length novel Warning this title contains adult content The Custom Culture series is best read in order 1 Freefall 2 Clutch 3 Dray 4 Rett 5 Nix Scotlyn The Wedding 6 Clutch Taylor The Wedding **1251 p** United States.
