**New York Supreme Court Appellate Division First Department , Are We Divorced, Too Daddy?** Vickie Gunnells-Hodge,2000-12 This book is hopefully the voice for every child who experiences any of the downs of divorce simply because one parent chooses to do his own thing for Just Right Now Divorce is hard enough for the child in and of itself

without their having to deal with the fact that that loving missing parent believes his needs are more important than his child's. This is where I believe a real difference exists in Americans and Jamaicans. Jamaicans seem to have a stronger feel for Family Elders and loyalty. Fatherhood is not a temporary position. Most men here are more than enthused when it comes to promoting themselves for the sake of their business; it makes you wonder how does their enthusiasm diminish when it comes to involvement with their own flesh and blood? If they would just try giving themselves completely for a little while to that child, they would surely see that their children's love would fill the void they're denying and the love given and received from them will last longer and weigh greater than anything else forever.

thersites is an international open access journal for innovative transdisciplinary classical studies edited by Annemarie Ambühl, Filippo Carl Uhlir, Christian Rollinger and Christine Walde. thersites expands classical reception studies by publishing original scholarship free of charge and by reflecting on Greco-Roman antiquity as present phenomenon and diachronic culture that is part of today's transcultural and highly diverse world. Antiquity in our understanding does not merely belong to the past but is always experienced and engaged in the present. thersites contributes to the critical review on methods, theories, approaches and subjects in classical scholarship which currently seems to be awkwardly divided between traditional perspectives and cultural turns. thersites brings together scholars, writers, essayists, artists and all kinds of agents in the culture industry to get a better understanding of how antiquity constitutes a part of today's culture and transforms our present. thersites appears twice yearly and publishes regular issues as well as specially themed and guest edited issues focused on individual subjects and questions. Call for papers are released regularly and long in advance on our homepage <https://thersites.journal.de> and on other pages that feature announcements for classical studies. **Can't Win Me Back** Part XV Sophie, Nathan Hill adopted a very obedient little thing who dares not go west when he tells her to go east. She treats him as her heaven and loves him with all her heart. But he took away one of her kidneys for his first love. A few years later she achieved greatness and ultimately cross paths with him at the top. He said I regret letting you leave me. She said I never regretted leaving you.

The Wonder of All That Is Stephen Stuart, 2009-09 The concept for this story was provided by an artist friend of ours whose creation *Gentle Persuasion* ignited a spark of an idea in Steve for a tale of innocence and hope. He proposed it to the artist and suggested she ask writer friends of hers to consider the project. Her reply along with my support was to convince Steve to accept the challenge and after much cajoling he accepted. It turned into a mission lasting over one year and the result I feel is definitely worth the wait. This is a story of sensitivity, pathos and humor as told through the charmingly simple narrative of Bean, a benevolent and immortal spirit while at the same time involving the reader in complex

thought provoking voyages into political religious social and historical arenas It is a heartbreaking tale of a young lad stricken with the malady of autism and of his family s sincere love and commitment to his plight It is a tale seasoned with the introduction of a group of characters who have left their imprint either directly or indirectly on the life of that boy and hopefully on the reader The story has been read by many people in all walks of life and encompassing diverse interests While the reviews varied as one would imagine the major consensus of the feedback has been wildly enthusiastic I laughed I cried you made me think about things I haven t thought of before this comment although paraphrased any number of times has been received from both male and female readers alike This is the author s first novel His background has been in the arts where he won awards as a graphic designer dabbled with sculpture illustration interior design and jewelry design and as an award winning advertising photographer which was his main occupation for thirty one years Prior to writing this novel Steve had garnered a respected reputation as well as numerous awards as a scrimshander until problems with his eyesight put an end to that endeavor The story of Bean and Ricky is a compilation of his vivid imagination off times cynical sense of humor personal experience and research succinctly gathered over a lifetime of keen observation I sincerely believe that Bean is the embodiment of Steve s thoughts and beliefs and while espousing pessimism Steve is definitely a closet optimist Mary Ann Smania Stuart BS MA MS PhD World s Who s Who of Women International Who s Who of Intellectuals and wife 2009
