Leung Lai, 2016-10-26 The stories in the first half of the book of Daniel are Sunday School favorites and the visions of the second half are sometimes hard to understand How do either of them relate to the world today with its frequent news of conflict injustice and human suffering In Glimpsing the Mystery Barbara M Leung Lai succinctly takes readers through Daniel showing throughout how God responds to the needs of his people in difficult times In a world that seems out of control God provides glimpses into the mystery of his glory and sovereignty showing that he has not stopped working and reassuring us that he is still the God of gods and Lord of lords It is a message that is as necessary today as it was in Daniel s time

Vessels of Wrath, Volume 1 Richard M. Blaylock, 2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity
