 animated by the shadows of the brutality of the town s colonial history *Where is the Light* Stephanie, When Christabel  
 finds her twin sister Annabel unmoving on the bed they once shared the small certainties of her life shatter in an instant  
 Where Is the Light follows Christabel through the raw days and quieter nights after that first impossible moment through the  
 hollowing shock the anger that demands answers and the numb rituals that keep memory alive As she sorts through Annabel  
 s things and replays the smallest brightest fragments of their childhood Christabel begins to notice subtle signs that pierce  
 the fog a remembered phrase an ordinary object that glows with newfound meaning and moments of unexpected comfort in  
 prayer and song These hints lead her on a fraught honest pilgrimage from grief toward a fragile hope one that does not erase  
 the wound but reshapes it in the presence of God Tender and unflinching this story explores how faith looks in the real messy  
 aftermath of loss not as tidy answers but as companionship questions held before a loving God and the slow reclamation of  
 what it means to live Readers who have loved and lost will find in Christabel s journey a believable comforting map for  
 carrying sorrow without letting it define the whole of life **The Collected Works of Lucy Maud Montgomery: 20**
