Teacher Supply And Teacher Quality Issues For The 1990s:

Teacher Supply and Teacher Quality Gerald Rupert Grace, Martin Lawn, 1991 When Sir Claus Moser said in his Presidential Address to the British Association 1990 that central to all school problems is the state of the teaching profession he was expressing a widely held view The decade of the 1980s in many English speaking countries has done little to improve the morale and work conditions of teachers in publicly provided education The gap between the public rhetoric which acknowledge the importance of teachers and the realities which teachers experience remains very great With reference to England and Wales this timely and critically stimulating book examines the issues which have to be addressed in the 1990s It provides an agenda for educational policies and practices which take seriously the importance of teachers as key agents for realizing equal educational opportunities for all

Teacher Supply Stephen Gorard, Beng Huat See, Emma Smith, Patrick White, 2006-10-15 Issues concerning the supply of teachers are of perennial concern to both policy makers and researchers in the world of education This trenchant and wide ranging study not only provides major new research findings but also a re interpretation of extant data Combining qualitative and very extensive quantitative research Teacher Supply provides a rigorous and iconoclastic treatment of issues relating to the recruitment quality training and retention of teachers throughout the developed world and offers important recommendations for the future
