THE LEGEND OF ATLANTIS

The story of Atlantis is one of the most famous legends in the world. It is a story of a great civilization that was destroyed by a great flood.

According to the legend, Atlantis was a powerful empire that was built on a small island in the middle of the Atlantic Ocean. The island was surrounded by water on all sides, and the people of Atlantis were very advanced for their time. They had a great city with many temples and palaces, and they were very rich and powerful.

One day, the people of Atlantis were warned by the gods that their city was doomed. They were told that if they did not change their ways, their city would be destroyed. But the people of Atlantis did not listen to the gods, and they continued to live their lives as they always had.

Finally, the gods decided to punish the people of Atlantis. They sent a great flood to destroy the city, and the people of Atlantis were all killed. The city of Atlantis was never seen again, and it has become a legend that has been passed down for centuries.
