Teachers As Owners A Key To Revitalization Of Public Education:

Teachers As Owners Edward J. Dirkswager, 2002-05-28 What if teachers were owners not employees Teacher ownership is a revolutionary way to put excitement and meaning back into the teaching profession and to revitalize public education This book demonstrates how being an owner rather than an employee can give teachers control of their professional activity including full responsibility and accountability for creating and sustaining high performing learning communities It presents examples of teacher ownership in practice and provides practical models for those who would like to experience the professional satisfaction found in ownership Like doctors lawyers and other professionals teachers have the same opportunity to work for themselves through ownership of professional partnerships In a professional partnership the teachers are the leaders and decision makers They control their own work and their own relationships to students including determining curriculum setting the budget choosing the level of technology available to students determining their own salaries selecting their colleagues monitoring performance and hiring administrators to work for them not vice versa *Teachers As Owners* Edward J.
