The Fly Away Umbrella:

The Fly-Away Umbrella Jane Carroll,1994-01-01 The wind takes Mr Grace for a wild and wonderful ride on an umbrella leaving the man longing for more such experiences Paradise Vladimir Imakaev,2010-03-23 One of the first great mysteries of civilization is the story of the creation of the world in the Bible The Tree of Life planted in the Garden of Eden may be more than just a myth And if so the country that possesses it could harness the power of eternity and be the undefeated champion of the world To this end a small group that includes some of the best scientists of the age start an expedition to Iraq in search of the Forbidden Garden But will they ever return The path that leads to the entrance to paradise has been called The Valley of the Shadow of Death and not without reason It is said to be guarded by a host of demons under the command of the ancient Egyptian priest Siptelah who sold his own soul in exchange for his power Mystery of the Past is the first book of the exciting trilogy Paradise Already a bestseller in Russia it has fascinated hundreds of thousands of readers around the world Now released for the first time in English Christians and non Christians can enjoy the thrilling opening of this powerful series The Weatherman Greg Krojac,2021-06-10 The checkpoint between sectors is bustling with crowds of travellers doing their best to attract the attention of the border patrol staff so that they might have their travel permits authorized and stamped It s a waste of time and effort for ninety nine per cent of them as moving between sectors is strictly prohibited for all except those with special permission from the Colony Executive The Weatherman has no such problems Dressed in a brown two piece suit a cream coloured shirt and wearing a dark brown bowler hat he is instantly recognisable by border security Carrying a ridged walking cane in his right hand he can travel at will between sectors as often as required with no paperwork whatsoever The border patrol officials know who he is and give him a wide berth To refuse him free passage would be to risk their jobs perhaps even their lives In this sci fi thriller with a twist of urban fantasy set on a far distant planet a teacher from the lowly Sector D Ooze stumbles across a strange young woman lost in the fog and is persuaded to leave his uneventful life behind him and join her on a quest Little does he know that he is putting his life in such grave danger Flying Magazine ,1984-05 Sky Island L. Frank Baum,2022-01-11 Sky Island 1912 is a novel by L Frank Baum A sequel to The Sea Fairies 1911 Sky Island was part of a larger series of planned novels that Baum hoped would move beyond the universe he created for his Oz books Discouraged by poor reviews of The Sea Fairies however Baum featured several characters from The Road to Oz 1909 in Sky Island including Button Bright and Polychrome A young Californian girl named Trot meets a strange boy from Philadelphia named Button Bright Using his magic umbrella he has managed to float across the entire country Together with the brave Cap n Bill they set sail for the mysterious Sky Island the realm of the Blues and the Pinkies Separated by the Great Fog Bank the two peoples live vastly different lives and never attempt to cross their borders On the Blue side the three adventurers face the wicked tyrant Boolooroo who threatens to torture them for disobedience Despite being imprisoned they manage to escape braving the fog to emerge in the happier

Pink Country Soon they face a new type of danger a strange set of laws threatens Trot Button Bright and the Cap n with immediate expulsion from Sky Island Filled with rich detailed layers of fantasy from the mind of L Frank Baum Sky Island is a story about the frail innocence of childhood and the will to persevere that can be found in even the youngest of hearts Long overshadowed by the film Baum s novel is required reading for children adults with children and adults who refuse to let life lose its flavor of fantasy With a beautifully designed cover and professionally typeset manuscript this edition of L Frank Baum s Sky Island is a classic of American literature reimagined for modern readers Delving Into Different Literary Terrains

Subhajit Bhadra,2023-04-01 Since the beginning of 2nd half of 20th century various critical theories came into existence and every student and teacher of literature was influenced by those theories which were basically addressing the demands of other social sciences But theoretical schools of western part of the world also inspired colonial and postcolonial reimagining The present book employs many of those theories without being obscure or ambiguous The book gets a wider value because the writer expresses his views reviews interviews and critical essays which are theory oriented An extra value of the book is that author here also plays the role of a translator And last but not the least the robust language plays a great job here and the domain is world literature

Pegasus, Lion, and Centaur Дмитрий Емец,2016-04-16 HDive this is not a name not a last name not a nickname HDive this is the guildhall where hdivers gather and which can be found on the map in the neighbourhood of Moscow Outwardly this building is the most ordinary and every hundred years it is demolished and rebuilt in order not to draw attention Hdivers do not need popularity in fact the bulk of HDive is not even above ground Hdivers are not magicians although their abilities far exceed any human understanding If something significant or inexplicable happens somewhere in the world it means the

matter is not managed without hdivers It is impossible for an outsider to enter the grounds of HDive Anyone who has betrayed the Charter of HDive just once also can never return Hdivers are not by birth No supernatural talent or affinity with magicians is necessary The golden bees choose hdivers and the only beehive is in HDive No one not even the hdivers themselves knows whom a bee will choose next and most importantly why
