Dark Revelation - The Role Playing Game - Player's Guide C.N. Constantin, Jason Cable Hall, 2014-12-07 The Hodgepocalypse takes North America and the d20 system and makes it a diverse world filled with magical rites modern technology and bizarre cultures

The Terminal Generation R.C. Courson Jr., 2014-04-29 Be Prepared Robert C Courson Jr has a folksy way of warning people that life is brief You may tie your shoes this morning but the undertaker could untie them tonight In other words he said We have no promise for tomorrow the Danville Ill Commercial News by staff writer Mary Wicoff Robert C Courson Jr ThD senior pastor of the First Church of God in Mitchell Indiana is the author of a new book The Terminal Generation The Apocalyptic Words of Christ for Such a Time as This The book has climbed to the top of the Amazon charts for Christian Books and Bibles Bible Study and Reference as well as Kindle eBooks the Bedford Ind Times Mail June 6 2014 Be Prepared and Dont Be Left Behind This book is an instruction manual covering the things to come in our lifetime and also a survival manual of protection and preparation Be prepared and dont be left behind Jesus Christ is coming soon suddenly and silently to rapture his church the Antichrist will ascend to dominate world power and the wrath of God will be unleashed upon sinful man during the tribulation period America and the world as we know it are going to change drastically according to the unveiling and fulfillment of Bible prophecy in our terminal generation

The Invisible Source of Authority David Walsh, 2025-07-15 The Invisible Source of Authority is a philosophical meditation on the secular age and challenges the notion that the secular can be understood without reference to God How does one reject God while denying belief This is the central paradox of our secular age where efforts to erase God only affirm his presence In The Invisible Source of Authority David Walsh examines this paradox and argues that a secular world actually reveals God more clearly rather than bringing about what has been called the death of God Unlike many critics of modernity Walsh argues that secularism is not inhospitable to authentic religious faith and cannot be understood without reference to God Drawing on the writings of early modern thinkers like Montaigne Descartes and Grotius Walsh asserts that God's absence from the secular world is testimony to God's transcendence Because the secular is always that which has withdrawn from serving God Walsh suggests that this presupposition proves that God remains indispensable to the self understanding of secular society The Invisible Source of Authority seeks to remind us that despite his seeming absence the transcendent God remains an essential presence
